Item 1.01. Entry into a Material Definitive Agreement

The description of the Loan Agreement (as defined below) set forth under Item 2.03 is hereby incorporated by reference into this Item 1.01.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Entry Sheet Arrangement of a Registrant***Securitization Transaction***

On September 29, 2017, Starwood Waypoint Homes (the “Company”) completed its seventh securitization transaction, which involved the issuance and sale in a private offering of single-family rental pass-through certificates (the “Certificates”) issued by a trust (the “Trust”) established by a wholly owned subsidiary of the Company. The Certificates represent beneficial ownership interests in a Loan (defined below) secured by a portfolio of 4,443 single-family homes operated as rental properties (collectively, the “Properties”) contributed from the Company’s portfolio of single-family homes to a newly-formed special purpose entity indirectly owned by the Company. Net proceeds from the offering to third parties were distributed to the Company’s operating partnership, Starwood Waypoint Homes Partnership, L.P., after payment of transaction expenses. The operating partnership intends to use the net proceeds to repay certain of the Company’s existing debt and for general corporate purposes.

The Company sold \$732.7 million of Certificates at a weighted average blended interest rate of LIBOR plus 156 basis points to investors and retained approximately 5% of each class of Certificates totaling \$38.6 million.

As part of the securitization transaction, various subsidiaries of the Company, through both distributions and contributions, transferred the Properties to Borrower (as defined below), an indirect subsidiary of the Company, which then entered into the Loan Agreement. The Loan (as defined below) was deposited into the Trust in exchange for the Certificates. The Certificates were sold to qualified institutional buyers and non-U.S. persons through the placement agents retained for the transaction pursuant to the exemptions from registration provided by Rule 144A and Regulation S, respectively, under the Securities Act of 1933, as amended.

Loan Agreement

On September 29, 2017, SWH 2017-1 Borrower, LP, a Delaware limited liability partnership (“Borrower”), entered into a loan agreement (the “Loan Agreement”), with German American Capital Corporation as lender (“Lender”). Pursuant to the Loan Agreement, Borrower borrowed \$771,240,000 (the “Loan”) from Lender. The Loan is a two-year, floating rate loan, composed of six floating rate components, each of which is computed monthly based on LIBOR plus a fixed component spread. Interest on the Loan is payable monthly. As part of certain lender requirements in connection with the securitization transaction described above, Borrower entered into an interest rate cap agreement for the initial two-year term of the Loan, with a LIBOR-based strike rate such that the debt service coverage ratio calculated under the Loan Agreement will not be less than 1.20x.

For purposes of computing, among other things, interest accrued on the Loan, the Loan is divided into six components designated as “Component A,” “Component B,” “Component C,” “Component D,” “Component E” and “Component F”. The following table shows the initial principal amount and the interest rate for each Component A through F.

Component	Initial Principal Balance	Regular Component Interest Rate
A	\$408,137,000	One-Month LIBOR + 1.0196%
B	\$84,443,000	One-Month LIBOR + 1.2396%
C	\$61,924,000	One-Month LIBOR + 1.4696%
D	\$67,554,000	One-Month LIBOR + 2.0196%
E	\$92,887,000	One-Month LIBOR + 2.6696%
F	\$56,295,000	One-Month LIBOR + 3.4696%

The Loan is secured by first priority mortgages on the Properties, which are owned by the Borrower. The Loan is also secured by a first priority pledge of the equity interests of the Borrower. The initial maturity date of the Loan is October 9, 2019 (the “Initial Maturity Date”). Borrower has the option to extend the Loan beyond the Initial Maturity Date for two successive one-year terms and one final 15-month extension, provided that there is no event of default under the Loan Agreement on each maturity date, Borrower obtains an acceptable replacement interest rate cap agreement and Borrower complies with the other terms set forth in the Loan Agreement. The Loan Agreement requires that Borrower comply with various affirmative and negative covenants that are customary for loans of this type, including limitations on indebtedness Borrower can incur, limitations on sales and dispositions of the Properties, required maintenance of specified cash reserves, and various restrictions on the use of cash generated by the operations of the Properties while the Loan is outstanding. The Loan Agreement also includes customary events of default, the occurrence of which would allow the Lender accelerate payment of all amounts outstanding thereunder and to require that all of the rental income associated with the Properties be required to prepay the Loan.

In connection with the Loan, the Company provided the Lender with a limited recourse guaranty under which it agreed to indemnify the Lender against specified losses due to fraud, misrepresentation, misapplication of funds, physical waste, breaches of specified representations, warranties and covenants, as well as a guaranty of the entire amount of the Loan, not to exceed the greater of (i) the lesser of \$35,000,000 and the outstanding principal balance of the Loan and all other obligations under the Loan, and (ii) thirty-five percent of the outstanding principal balance of the Loan, in the event that the Borrower files insolvency proceedings or violates certain covenants that result in its being substantively consolidated with any other entity that is subject to a bankruptcy proceeding.

This description of the Loan Agreement is not complete and is qualified in its entirety by reference to the Loan Agreement, filed as Exhibit 10.1 to this Current Report on Form 8-K, which is incorporated herein by reference.

(b) Notwithstanding the foregoing if at any time prior to the Loan being converted from a LIBOR Loan to a Prime Rate Loan in accordance with **Section 2.2.3(a)** above or **Section 2.2.3(d)** below, the Servicer reasonably determines that an Alternative Index becomes generally accepted as a successor interest rate index to LIBOR in commercial mortgaged backed real estate finance transactions, then the Loan shall be converted from a LIBOR Loan to an Alternative Base Rate Loan. If the Loan is to be converted to an Alternative Base Rate Loan pursuant to the previous sentence, the Servicer shall give notice of such determination in writing to Borrower and any certificate administrator at least one (1) day prior to the next succeeding Interest Determination Date. If such notice is given, the Loan shall be converted, as of the first day of the next succeeding Interest Period, to an Alternative Base Rate Loan; **provided** that if the Servicer reasonably determines that LIBOR can still be determined as provided in the definition of LIBOR as set forth herein then such conversion to an Alternative Base Rate Loan shall be postponed until the earliest to occur of (i) the first day of the first Interest Period of the next succeeding Extension Term or (ii) the first day of an Interest Period for which the Servicer reasonably determines that by reason of circumstances affecting the interbank Eurodollar market LIBOR cannot be determined as provided in the definition of LIBOR as set forth herein. If Lender does not deliver such notice prior to the Loan being converted from a LIBOR Loan to a Prime Rate Loan in accordance with **Section 2.2.3(a)** above or **Section 2.2.3(d)** below, then the Loan shall not thereafter be converted into an Alternative Base Rate Loan and **Section 2.2.3(a)** above and/or **Section 2.2.3(d)** below shall be the sole methods by which a LIBOR Loan may be converted.

(c) If, pursuant to the terms of **Section 2.2.3(a)**, the Components of Loan have been converted to a Prime Rate Loan but thereafter LIBOR can again be determined as provided in the definition of LIBOR as set forth herein, Servicer may give notice thereof to Borrower and convert the Prime Rate Loan back to a LIBOR Loan by delivering to Borrower notice of such conversion no later than 11:00 a.m. (New York City Time), one (1) Business Day prior to the next succeeding Determination Date. If such notice is given, the Components of the Loan shall be converted, from and after the first day of the next succeeding Interest Period, to a LIBOR Loan bearing interest based on LIBOR in effect on the related Determination Date. Notwithstanding any provision of this Agreement to the contrary, in no event shall Borrower have the right to elect to convert a LIBOR Loan to a Prime Rate Loan.

(d) If any requirement of law or any change therein or in the interpretation or application thereof, in any case after the date hereof, shall hereafter make it unlawful for Lender to make or maintain a LIBOR Loan as contemplated hereunder, (i) the obligation of Lender hereunder to make a LIBOR Loan or to convert a Prime Rate Loan to a LIBOR Loan shall be canceled forthwith and (ii) any outstanding LIBOR Loan shall be converted automatically to an Alternative Base Rate Loan if an Alternative Base Rate then exists, as reasonably determined by Servicer, or otherwise to a Prime Rate Loan on the first day of the next succeeding Interest

Period or within such earlier period as required by law. Borrower hereby agrees promptly to pay Lender, upon demand, any additional amounts necessary to compensate Lender for any out-of-pocket costs reasonably incurred by Lender in making any conversion in accordance with this Agreement, including, without limitation, any interest or fees payable by Lender to lenders of funds obtained by it in order to make or maintain the LIBOR Loan hereunder. Lender's notice of such costs, as certified to Borrower, shall be conclusive absent manifest error.

(e) In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority:

(i) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of Lender which is not otherwise included in the determination of LIBOR hereunder;

(ii) shall hereafter have the effect of reducing the rate of return on Lender's capital as a consequence of its obligations hereunder to a level below that which Lender could have achieved but for such adoption, change or compliance (taking into consideration Lender's policies with respect to capital adequacy) by any amount deemed by Lender to be material;

(iii) shall hereafter subject Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in **clauses (b)** through **(d)** of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iv) shall hereafter impose on Lender any other condition and the result of any of the foregoing is to increase the cost to Lender of making, renewing or maintaining loans or extensions of credit or to reduce any amount receivable hereunder;

then, in any such case, Borrower shall promptly pay Lender, upon demand, any additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined by Lender in its reasonable discretion. If Lender becomes entitled to claim any additional amounts pursuant to this **Section 2.2.3(d)**, Lender shall provide Borrower with not less than thirty (30) days written notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to fully compensate Lender for such additional cost or reduced amount. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. Subject to **Section 2.7**, this **Section 2.2.3(d)** shall survive payment of the Debt and the satisfaction of all other Obligations.

(f) Borrower agrees to indemnify Lender and to hold Lender harmless from any loss or expense which Lender sustains or incurs as a consequence of (i) any default by Borrower in

payment of the principal of or interest on a LIBOR Loan, including, without limitation, any such loss or expense arising from interest or fees payable by Lender to lenders of funds obtained by it in order to maintain a LIBOR Loan hereunder, (ii) any prepayment (whether voluntary or mandatory) of the LIBOR Loan on a day that (A) is not a Payment Date or (B) is a Payment Date if Borrower did not give the prior written notice of such prepayment required pursuant to the terms of this Agreement, including, without limitation, such loss or expense arising from interest or fees payable by Lender to lenders of funds obtained by it in order to maintain the LIBOR Loan hereunder and (iii) the conversion pursuant to the terms hereof of the LIBOR Loan to the Prime Rate Loan on a date other than the Payment Date, including, without limitation, such loss or expenses arising from interest or fees payable by Lender to lenders of funds obtained by it in order to maintain a LIBOR Loan hereunder (the amounts referred to in **clauses (i), (ii) and (iii)** are herein referred to collectively as the “**Breakage Costs**”); *provided, however*, Borrower shall not indemnify Lender from any loss or expense arising from Lender’s willful misconduct or gross negligence. This provision shall survive payment of the Note in full and the satisfaction of all other obligations of Borrower under this Agreement and the other Loan Documents.

2.2.4 Additional Costs

. Lender will use reasonable efforts (consistent with legal and regulatory restrictions) to maintain the availability of the LIBOR Loan and to avoid or reduce any increased or additional costs payable by Borrower under **Section 2.2.3**, including, if requested by Borrower, a transfer or assignment of the Loan to a branch, office or Affiliate of Lender in another jurisdiction, or a redesignation of its lending office with respect to the Loan, in order to maintain the availability of the LIBOR Loan or to avoid or reduce such increased or additional costs, **provided** that the transfer or assignment or redesignation (a) would not result in any additional costs, expenses or risk to Lender that are not reimbursed by Borrower and (b) would not be disadvantageous in any other respect to Lender (including the effect on any Securitization) as determined by Lender in its reasonable discretion.

2.2.5 Default Rate

. In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the Component Outstanding Principal Balance of each of the Components and, to the extent not prohibited by applicable law, all other portions of the Debt, shall accrue interest at the Default Rate, calculated from the date such payment was due or, if later, such Default shall have occurred, without regard to any grace or cure periods contained herein. Interest at the Default Rate shall be paid immediately upon demand, which demand may be made as frequently as Lender shall elect, to the extent not prohibited by applicable law.

2.2.6 Usury Savings

. This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by

applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

2.2.7 Interest Rate Cap Agreement

(a) Prior to or contemporaneously with the Closing Date, Borrower shall have obtained (and thereafter maintain in effect until the Initial Maturity Date or until earlier repayment of the Loan in full) the Interest Rate Cap Agreement. The Interest Rate Cap Agreement (i) shall be in a form and substance reasonably acceptable to Lender, (ii) shall at all times be with an Acceptable Counterparty, (iii) shall, by its terms or via the Collateral Assignment of Interest Rate Cap Agreement described below, direct such Acceptable Counterparty to deposit directly into the Cash Management Account any amounts due Borrower under such Interest Rate Cap Agreement so long as any portion of the Debt exists, **provided** that the Debt shall be deemed to exist if any Property is transferred by judicial or non-judicial foreclosure or deed-in-lieu thereof, (iv) shall be for a period through the end of the Interest Period ending immediately following the Maturity Date and (v) shall at all times have a notional amount equal to or greater than the aggregate Component Outstanding Principal Balances of the Components and shall at all times provide for the applicable Strike Price. Borrower shall collaterally assign to Lender, pursuant to the Collateral Assignment of Interest Rate Cap Agreement between Borrower and Lender, dated as of the Closing Date (the “**Collateral Assignment of Interest Rate Cap Agreement**”), all of its right, title and interest to receive any and all payments under the Interest Rate Cap Agreement, and shall deliver to Lender an executed counterpart of such Interest Rate Cap Agreement (which shall, by its terms, authorize the assignment to Lender and require that payments be deposited directly into the Cash Management Account) and shall notify the Acceptable Counterparty of such assignment.

(b) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Acceptable Counterparty under the Interest Rate Cap Agreement to Borrower shall be deposited immediately into the Cash Management Account or into such account as specified by Lender. Borrower shall take all actions reasonably requested by Lender to enforce Lender’s rights under the Interest Rate Cap Agreement in the event of a default by the Acceptable Counterparty and shall not waive, amend or otherwise modify any of its rights thereunder.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Acceptable Counterparty by any Approved Rating Agency such that it ceases to qualify as an Acceptable Counterparty, unless the Counterparty shall have posted collateral on terms acceptable to each Approved Rating Agency, Borrower shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement not later than ten (10) Business Days following receipt of notice from Lender of such downgrade, withdrawal or qualification. In the event that the Counterparty is downgraded (i) below BBB+ by S&P or (ii) below “Baa1” by Moody’s, a Replacement Interest Rate Cap Agreement shall be required regardless of the posting of collateral.

(d) In the event that Borrower fails to purchase and deliver to Lender the Interest Rate Cap Agreement or fails to maintain the Interest Rate Cap Agreement in accordance with the terms and provisions of this Agreement, Lender may purchase the Interest Rate Cap Agreement and the cost incurred by Lender in purchasing such Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is reimbursed by Borrower to Lender.

(e) In connection with the Interest Rate Cap Agreement, Borrower shall obtain and deliver to Lender an opinion from counsel (which counsel may be in-house counsel for the Acceptable Counterparty) for the Acceptable Counterparty (upon which Lender and its successors and assigns may rely) which shall provide, in relevant part, that (a “**Counterparty Opinion**”):

(i) the Acceptable Counterparty is duly organized, validly existing, and in good standing under the laws of its jurisdiction of incorporation or formation and has the organizational power and authority to execute and deliver, and to perform its obligations under, the Interest Rate Cap Agreement;

(ii) the execution and delivery of the Interest Rate Cap Agreement by the Acceptable Counterparty, and any other agreement which the Acceptable Counterparty has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been and remain duly authorized by all necessary action and do not contravene any provision of its certificate of incorporation or by-laws (or equivalent organizational documents) or any law, regulation or contractual restriction binding on or affecting it or its property;

(iii) all consents, authorizations and approvals required for the execution and delivery by the Acceptable Counterparty of the Interest Rate Cap Agreement, and any other agreement which the Acceptable Counterparty has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any Governmental Authority is required for such execution, delivery or performance; and

(iv) the Interest Rate Cap Agreement, and any other agreement which the Acceptable Counterparty has executed and delivered pursuant thereto, has been duly executed and delivered by the Acceptable Counterparty and constitutes the legal, valid and binding obligation of the Acceptable Counterparty, enforceable against the Acceptable Counterparty in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors’ rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

Section 2.3 **Loan Payment**

2.3.1 **Monthly Debt Service Payments**

. Borrower shall pay to Lender (a) on the Closing Date, an amount equal to interest only on the Outstanding Principal Balance of the

Components from the Closing Date up to and including October 14, 2017, which interest shall be calculated in accordance with the provisions of **Section 2.2** and (b) on the Payment Date occurring on November 9, 2017, and on each Payment Date thereafter up to and including the Maturity Date, Borrower shall make a payment to Lender equal to the Monthly Debt Service Payment Amount. Borrower shall also pay to Lender on the Closing Date all amounts required in respect of Reserve Funds as set forth in **Article VI** and an amount equal to the sum of the initial monthly certificate administrator fee and the initial monthly trustee fee.

2.3.2 Payments Generally

. The first Interest Period hereunder shall commence on and include the Closing Date and shall end on and include October 14, 2017. Thereafter during the term of the Loan, each Interest Period shall commence on the fifteenth (15th) day of the calendar month preceding the calendar month in which the related Payment Date occurs and shall end on and include the fourteenth (14th) day of the calendar month in which the related Payment Date occurs. For purposes of making payments hereunder, but not for purposes of calculating Interest Periods, if the day on which such payment is due is not a Business Day, then amounts due on such date shall be due on the immediately preceding Business Day and with respect to payments of principal due on the Maturity Date, interest shall be payable at the Interest Rate or the Default Rate, as the case may be, through and including the last day of the related Interest Period. All amounts due under this Agreement and the other Loan Documents shall be payable without setoff, counterclaim, defense or any other deduction whatsoever.

2.3.3 Payment on Maturity Date

. Borrower shall pay to Lender on the Maturity Date the Outstanding Principal Balance, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Mortgage Documents and the other Loan Documents.

2.3.4 Late Payment Charge

. If any principal, interest or any other sums due under the Loan Documents (including the amounts due on the Maturity Date) are not paid by Borrower on or prior to the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of four percent (4%) of such unpaid sum or the Maximum Legal Rate in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by the Mortgages and the other Loan Documents to the extent permitted by applicable law.

2.3.5 Method and Place of Payment

. Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 11:00 a.m., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or as otherwise directed by Lender, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

Section 2.4 Prepayments

2.4.1 Voluntary Prepayments

. **Provided** that Borrower shall timely deliver to Lender a Prepayment Notice, Borrower may prepay all or any portion of the Outstanding Principal Balance and any other amounts outstanding under the Note, this Agreement, the Mortgage Documents and any of the other Loan Documents, on any Business Day; **provided** that

Borrower shall comply with the provisions of and pay to Lender the amounts set forth in **Section 2.4.4**. Each such prepayment shall be in a minimum principal amount equal to \$1,000,000 and in integral multiples of \$100,000 in excess thereof and shall be made and applied in the manner set forth in **Section 2.4.4**.

2.4.2 Mandatory Prepayments

(a) **Disqualified Properties.** If at any time any Property shall become a Disqualified Property, Borrower shall, no later than the close of business on the fifth (5th) Business Day following the last day of the applicable Cure Period, give notice thereof to Lender and prepay the Debt in the applicable Release Amount with respect to such Property. After the prepayment of the Debt by the Release Amount with respect to a Disqualified Property as *provided* above, Lender shall release the Disqualified Property from the applicable Mortgage Documents and related Lien, *provided*, that (x) Borrower has delivered to Lender a draft release (and, in the event the Mortgage and the Collateral Assignment of Leases and Rents applicable to the Disqualified Property encumbers other Property(ies) in addition to the Disqualified Property, such release shall be a partial release that relates only to the Disqualified Property and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such Disqualified Property is located and shall contain standard provisions protecting the rights of Lender and (y) Borrower shall pay all costs, taxes and expenses associated with such release (including, without limitation, cost to file and record the release and Lender's reasonable attorneys' fees). Notwithstanding the foregoing, in lieu of such prepayment, Borrower may either (1) deposit an amount equal to 100% of the Allocated Loan Amount for such Disqualified Property in the Eligibility Reserve Subaccount in accordance with and subject to **Section 6.5** or (2) substitute a Disqualified Property or a portfolio of Disqualified Properties with a Substitute Property or a portfolio of Substitute Properties; *provided* that, in the case of a proposed substitution, all of the following conditions are satisfied:

(i) each substitute Eligible Property shall be a single family residential real property, but excluding housing cooperatives and manufactured housing;

(ii) no Event of Default shall have occurred and be continuing except as related to, and cured by the removal of, the Replaced Property being substituted;

(iii) Lender shall have obtained, at Borrower's sole cost and expense, a Broker Price Opinion for the Substitute Property (or Broker Price Opinions for a portfolio of Substitute Properties) and based on such Broker Price Opinion(s), the Substitute Property (or portfolio of Substitute Properties) shall have the same or greater BPO Value as the greater of (x) the BPO Value of the Replaced Property (or portfolio of Replaced Properties) being substituted as of the Closing Date and (y) the BPO Value of the Replaced Property (or portfolio of Replaced Properties) being substituted at the time of substitution;

(iv) Borrower shall deliver to Lender an Officer's Certificate stating that each Substitute Property satisfies each of the Property Representations and is in compliance with each of the Property Covenants on the Substitution Date;

- (v) there is an Eligible Lease for each Substitute Property;
- (vi) the in place Rents under the Lease(s) for the Substitute Property (or Substitute Properties, if a portfolio of Replaced Properties are being substituted) shall be equal to or greater than the greater of (A) the in place Rents under the Lease(s) for the Replaced Property (or portfolio of Replaced Properties) being substituted measured as of the time of substitution and (B) the in place Rents under the Lease(s) for the Replaced Property (or portfolio of Replaced Properties) being substituted measured as of the Closing Date;
- (vii) simultaneously with the Substitution, Borrower shall convey all of Borrower's right, title and interest in, to and under the Replaced Property (or portfolio of Replaced Properties) being substituted to a Person other than a Loan Party and Borrower shall deliver to Lender a copy of the deed conveying all or Borrower's right, title and interest in such Replaced Property (or portfolio of Replaced Properties) being substituted;
- (viii) Borrower shall deliver on or prior to the Substitution Date evidence satisfactory to Lender that each Substitute Property is insured pursuant to Policies meeting the requirements of **Article V**;
- (ix) Borrower shall deliver to Lender the deed, Title Insurance Owner's Policy and the Lease with respect to each Substitute Property being substituted;
- (x) Borrower shall have executed and delivered to Lender the Mortgage Documents with respect to each Substitute Property, which shall be in substantially the same form as the Mortgage, Collateral Assignment of Leases and Rents and Fixture Filing, if applicable, executed and/or delivered on the Closing Date with such changes as may be necessitated or appropriate (as reasonably determined by Lender) for the jurisdiction in which the Substitute Property is located, and which may, in Lender's reasonable discretion, be Mortgage Documents with respect to only such Substitute Property (and in the event the Substitute Property is located in the same county or parish in which one or more other Properties (other than the Replaced Property or Replaced Properties being substituted) is located, such Mortgage and Collateral Assignment of Leases and Rents may be in the form of an amendment and spreader agreement to the existing Mortgage and Collateral Assignment of Leases and Rents covering such Property or Properties located in the same county or parish as the Substitute Property, in each case, in form and substance reasonably acceptable to Lender) (the "**Substitute Mortgage Documents**");
- (xi) Borrower shall deliver to Lender the following opinions of counsel: (A) an opinion of counsel admitted to practice under the laws of the state in which the Substitute Property (or portfolio of Substitute Properties) being substituted is located in form and substance reasonably satisfactory to Lender opining as to the enforceability of the Substitute Mortgage Documents with respect to the Substitute Property (or portfolio of Substitute Properties) and (B) an opinion stating that the Substitute Mortgage Documents were duly authorized, executed and delivered by Borrower and that the execution and delivery of such Substitute Mortgage Documents and the performance by

Borrower of its obligations thereunder will not cause a breach or a default under, any agreement, document or instrument to which Borrower is a party or to which it or the Properties are bound and otherwise in form and substance reasonably satisfactory to Lender;

(xii) Lender shall have received a Title Insurance Policy for each Substitute Property (or, in the event a Substitute Property is located in the same county or parish in which one or more other Properties (other than a Replaced Property being substituted) is located, an endorsement to the existing Title Insurance Policy with respect to such Property or Properties located in the same county or parish as such Substitute Property in form and substance reasonably satisfactory to Lender) insuring the Lien of the Mortgage encumbering such Substitute Property as a valid first lien on such Substitute Property, free and clear of all exceptions other than the Permitted Liens;

(xiii) each Substitute Property shall be located in an MSA that contains at least one Property described on the Properties Schedule as of the Closing Date;

(xiv) no acquisition of a Substitute Property will result in Borrower or any other Loan Party incurring any Indebtedness (except as permitted by this Agreement);

(xv) the aggregate Allocated Loan Amounts of the Disqualified Properties being substituted under this **Section 2.4.2(a)**, together with the aggregate Allocated Loan Amounts of all Disqualified Properties that have been substituted with Substitute Properties since the Closing Date under this **Section 2.4.2(a)**, shall be no more than ten percent (10%) of the Initial Principal Balance;

(xvi) if any Lien, litigation or governmental proceeding is existing or pending or, to the actual knowledge of a Responsible Officer of Manager or a Loan Party, threatened against any Replaced Property being substituted with a Substitute Property or against such Substitute Property which may result in liability for Borrower, Borrower shall have deposited with Lender reserves reasonably satisfactory to Lender as security for the satisfaction of such liability;

(xvii) Borrower shall have paid all taxes and all reasonable out-of-pocket costs and expenses incurred by Lender and/or its Servicer in connection with the substitution (including, without limitation, costs and expenses incurred in connection with the release of the Replaced Property (or portfolio of Replaced Properties) being substituted from applicable Mortgage Documents) and, in addition, the fee specified on **Schedule VI** as being assessed by Servicer to effect releases or assignments;

(xviii) on the Substitution Date (1) the Borrower will deposit into the Tax Subaccount such amount, as reasonably determined by Lender, that when aggregated with Tax Funds in the Tax Subaccount and assuming subsequent monthly fundings of the Tax Subaccount on Monthly Payment Dates of one-twelfth (1/12) of projected annual Property Taxes, will be sufficient to pay all Property Taxes by the thirtieth (30th) day prior to the date such Taxes become due, (2) if an Acceptable Blanket Policy is not in effect, the Borrower will deposit into the Insurance Subaccount such amount, as

reasonably determined by Lender, that when aggregated with Insurance Funds in the Insurance Subaccount and assuming subsequent monthly fundings of the Insurance Subaccount on Monthly Payment Dates of one-twelfth (1/12) of the projected Insurance Premiums payable for the renewal of the coverage afforded by the Policies, will be sufficient to pay all such Insurance Premiums prior to the expiration of the Policies, and (3) if the Substitute Property is an Applicable HOA Property, the Borrower will deposit into the HOA Subaccount such amount, as reasonably determined by Lender, that when aggregated with HOA Funds in the HOA Subaccount, will be sufficient to pay projected HOA Fees with respect to all Applicable HOA Properties during the ensuing twelve (12) months.

Any such deposit in the Eligibility Reserve Subaccount or any such Substitution shall be completed no later than the due date for the prepayment required under this **Section 2.4.2(a)**. Notwithstanding anything to the contrary contained herein or in any other Loan Document, if the Loan is included in a REMIC Trust, no Substitution under this Agreement will be permitted unless (1) either (aa) immediately after such Substitution the ratio, expressed as a percentage, of the Outstanding Principal Balance to the value of the remaining Properties (as determined by Lender in its sole discretion using any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of personal property (other than fixtures) or going concern value, if any) is equal to or less than 125% or (bb) the ratio of the Outstanding Principal Balance to the value of the Properties (including the Substitute Property or Substitute Properties) will not increase as a result of such Substitution, or (2) Lender receives an opinion of counsel that the Securitization will not fail to maintain its status as a REMIC Trust as a result of such Substitution.

Simultaneously with the Substitution of a Replaced Property, Lender shall release the Replaced Property or Replaced Properties from the applicable Mortgage Documents and related Lien, *provided* that Borrower has delivered to Lender a draft release (and, in the event the Mortgage and the Collateral Assignment of Leases and Rents applicable to the Replaced Property or Replaced Properties encumbers other Property(ies) in addition to the Replaced Property or Replaced Properties, such release shall be a partial release that relates only to the Replaced Property or Replaced Properties being substituted and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such Replaced Property or Replaced Properties are located which contains standard provisions protecting the rights of Lender.

(b) **Transfer.** If at any time any Property is sold or otherwise disposed of to a third party (other than, for the avoidance of doubt, Borrower TRS), then Borrower shall, no later than the close of business on the day on which such Transfer occurs, give notice thereof to Lender and prepay the Debt in the applicable Release Amount with respect to such Property in accordance with **Section 2.5**.

(c) **Condemnation or Casualty.** If Borrower is required to make any prepayment under **Section 5.3** or **Section 5.4** as a result of a Condemnation or Casualty, on the next occurring Payment Date following the date on which Lender actually receives the applicable Net Proceeds, such Net Proceeds, up to the amount required to be prepaid as provided in **Section 5.3** or **Section 5.4**, as applicable, shall be applied to the prepayment of the Debt in accordance with

Section 2.4.4(d). For the avoidance of doubt, no Spread Maintenance Premium shall be due in connection with any prepayment made pursuant to this **Section 2.4.2(c)**.

(d) **Application of Mandatory Prepayments.** Each such prepayment shall be made and applied in the manner set forth in **Section 2.4.4**.

(e) **Payment from Cash Management Account.** Lender may collect any prepayment required under this **Section 2.4.2** from the Cash Management Account on the date such prepayment is payable hereunder.

2.4.3 Prepayments After Default

(a) If, during the continuance of an Event of Default, payment of all or any part of the Debt is tendered by Borrower and accepted by Lender or is otherwise recovered by Lender (including through application of any Reserve Funds), such tender or recovery shall be deemed to be a voluntary prepayment by Borrower and Borrower shall pay, as part of the Debt, all of: (i) all accrued interest calculated at the Interest Rate on the amount of principal being prepaid through and including the date of such prepayment together with an amount equal to the interest that would have accrued at the Interest Rate on the amount of principal being prepaid through the end of the Interest Period in which such prepayment occurs, notwithstanding that such Interest Period extends beyond the date of prepayment, (ii) the Interest Shortfall, if applicable, with respect to the amount prepaid, (iii) Breakage Costs, if any, without duplication of any sums paid pursuant to the preceding **clauses (i) and (ii)**, and (iv) an amount equal to the Spread Maintenance Premium (if made before the Spread Maintenance Date).

(b) Notwithstanding anything contained herein to the contrary, upon the occurrence and during the continuance of any Event of Default, any payment of principal, interest and other amounts payable under the Loan Documents from whatever source may be applied by Lender among the Components and other Obligations as Lender shall determine in its sole and absolute discretion.

2.4.4 Prepayment/Repayment Conditions

(a) On the date on which a prepayment, voluntary or mandatory, is made under the Note or as required under this Agreement, which date must be a Business Day, Borrower shall pay to Lender:

(i) all accrued and unpaid interest calculated at the Interest Rate on the amount of principal being prepaid on the applicable Component or Components through and including the Repayment Date together with an amount equal to the interest that would have accrued at the Interest Rate on the amount of principal being prepaid through the end of the Interest Period in which such prepayment occurs, notwithstanding that such Interest Period extends beyond the date of prepayment;

(ii) if such prepayment is made during the period from and including the first day after a Payment Date through and including the last day of the Interest Period in which such prepayment occurs, all interest on the principal amount being prepaid on the

applicable Component or Components which would have accrued from the first day of the Interest Period immediately following the Interest Period in which the prepayment occurs (the “**Succeeding Interest Period**”) through and including the end of the Succeeding Interest Period, calculated at (A) the Interest Rate if such prepayment occurs on or after the Determination Date for the Succeeding Interest Period or (B) the Assumed Note Rate if such prepayment occurs before the Determination Date for the Succeeding Interest Period (the “**Interest Shortfall**”);

(iii) Breakage Costs, if any, without duplication of any sums paid pursuant to the preceding **clauses (i) and (ii)**;

(iv) if such prepayment occurs prior to the Spread Maintenance Date, the Spread Maintenance Premium applicable thereto; *provided*, that no Spread Maintenance Premium shall be due in connection with a prepayment under **Section 2.4.2(a)** (except where such prepayment arises as a result of a Voluntary Action) or **Section 2.4.2(c)**; and

(v) all other sums, then due under the Note, this Agreement and the other Loan Documents.

(b) If the Interest Shortfall for any Component was calculated based upon the Assumed Note Rate, upon determination of LIBOR on the Determination Date for the Succeeding Interest Period then (i) if the Interest Rate applicable to such Component for such Succeeding Interest Period is less than the Assumed Note Rate applicable to such Component, Lender shall promptly refund to Borrower the amount of the Interest Shortfall paid with respect to such Component, calculated at a rate equal to the difference between the Assumed Note Rate applicable to such Component and the Interest Rate applicable to such Component for such Interest Period, or (ii) if the Interest Rate applicable to such Component is greater than the Assumed Note Rate applicable to such Component, Borrower shall promptly (and in no event later than the ninth (9th) day of the following month) pay Lender the amount of such additional Interest Shortfall applicable to such Component calculated at a rate equal to the amount by which the Interest Rate applicable to such Component exceeds the Assumed Note Rate applicable to such Component.

(c) Borrower shall pay all reasonable out-of-pocket costs and expenses of Lender incurred in connection with the repayment or prepayment (including without limitation reasonable attorneys’ fees and expenses and out-of-pocket costs and expenses related to the Transfer or Substitution of any Property); *provided*, for the avoidance of doubt, this provision shall not apply with respect to Taxes.

(d) Except during an Event of Default, prepayments shall be applied by Lender in the following order of priority: (i) *first*, to any amounts (other than principal, interest, Interest Shortfall, Breakage Costs and Spread Maintenance Premium) then due and payable under the Loan Documents, including any costs and expenses of Lender in connection with such prepayment; (ii) *second*, interest payable pursuant to **Section 2.4.4(a)(i)** on the applicable Component or Components being prepaid pursuant to this **clause (d)** at the Interest Rate; (iii) *third*, Interest Shortfall (if any) on the applicable Component or Components being prepaid pursuant to this **clause (d)**; (iv) *fourth*, Breakage Costs (if any) on the applicable Component or

Components being prepaid pursuant to this **clause (d)**; (v) *fifth*, Spread Maintenance Premium, to the extent applicable, on the applicable Component or Components being prepaid pursuant to this **clause (d)** and (vi) *sixth*, to principal, applied as set forth in **clause (e)** below.

(e) Except during an Event of Default, prepayments of principal of the Loan made pursuant to this **Section 2.4.4** shall be applied to the Loan (i) *first*, to Component A until the Component Outstanding Principal Balance of Component A is reduced to zero, (ii) *second*, to Component B until the Component Outstanding Principal Balance of Component B is reduced to zero, (iii) *third*, to Component C until the Component Outstanding Principal Balance of Component C is reduced to zero, (iv) *fourth*, to Component D until the Component Outstanding Principal Balance of Component D is reduced to zero, (v) *fifth*, to Component E until the Component Outstanding Principal Balance of Component E is reduced to zero, and (vi) *sixth*, to Component F until the Component Outstanding Principal Balance of Component F is reduced to zero; **provided**, that so long as no Event of Default is continuing, any voluntary prepayments of principal on the Loan made from Unrestricted Cash, other than Debt Yield Cure Prepayments, shall be applied to the Components of the Loan on a pro rata basis, based on the Component Outstanding Principal Balance of each such Component relative to the aggregate Component Outstanding Principal Balance for all of the Components until the Component Outstanding Principal Balance for each Component has been reduced to zero.

(f) Prepayments under **Section 2.4.1** shall reduce the Allocated Loan Amounts for each Property on a pro rata basis. Prepayments under **Section 2.4.2** shall reduce the Allocated Loan Amount with respect to the applicable Property, until the Allocated Loan Amount and any interest, fees or other Obligations related thereto is zero and any excess of such prepayment shall be applied to reduce the Allocated Loan Amounts for the remaining Properties on a pro rata basis.

(g) Lender shall, upon the written request and at the expense of Borrower, upon payment in full of the Debt in accordance with the terms and provisions of the Loan Documents, release the Liens of the Mortgage Documents and cause the trustees under any of the Mortgages to reconvey the applicable Properties to Borrower. In connection with the releases of the Liens, Borrower shall submit to Lender, forms of releases of Liens (and related Loan Documents) for execution by Lender. Such releases shall be the forms appropriate in the jurisdictions in which the Properties are located and contain standard provisions protecting the rights of Lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such releases, together with an Officer's Certificate certifying that such documentation (i) is in compliance with all Legal Requirements, and (ii) will effect such release in accordance with the terms of this Agreement. Borrower shall pay all out-of-pocket costs, taxes and expenses associated with the release of the Liens of the Mortgage Documents, including Lender's reasonable attorneys' fees.

Section 2.5 **Release of Property**

. Borrower and Borrower TRS may Transfer any Property (each, a "**Release Property**") and Lender shall release the Release Property from the applicable Mortgage Documents and release the security interest and Lien on any Collateral located at such Release Property, **provided** that the following conditions precedent to such Transfer are satisfied (the "**Release Conditions**"); **provided**, that, for the avoidance of doubt, the Release Conditions do not need to be satisfied in order for Lender to release its security interest

and Lien on any Disqualified Property in connection with any Substitution in accordance with **Section 2.4.2(a)** or **Section 2.9**:

(a) Borrower shall submit to Lender, not less than ten (10) Business Days prior to the Transfer Date, a Request for Release, together with all attachments thereto and evidence reasonably satisfactory to Lender that the conditions precedent set forth in this **Section 2.5** will be satisfied upon the consummation of such Transfer (for the avoidance of doubt, no Request for Release need be provided in connection with a contribution of a Release Property to Borrower TRS prior to the Transfer thereof to such third party);

(b) No Event of Default has occurred and is continuing (other than a non-monetary Event of Default that is specific to such Release Property to which **Section 2.4.2(a)** is applicable and would be cured as a result of the release of the Release Property, so long as a mandatory prepayment is made with respect thereto in accordance with **Section 2.4.2(a)** (a “**Qualified Release Property Default**”));

(c) the Debt Yield as of the most recent Calculation Date, after giving pro forma effect for the elimination of the Underwritten Net Cash Flow for the Release Property and the repayment of the Loan in the applicable Release Amount, is at least the greater of (x) the Closing Date Debt Yield and (y) the actual Debt Yield as of such date; *provided*, that the condition in this **clause (c)** shall not be applicable to a Transfer of a Property if the Loan is prepaid in the amount that is the greater of the applicable Release Amount and 100% of the Net Transfer Proceeds for the Release Property;

(d) Unless the release of the Release Property is effected in order to cure a Qualified Release Property Default, the Release Property shall be Transferred to a Person other than a Loan Party; *provided*, that Borrower may contribute the Release Property to Borrower TRS prior to the Transfer thereof to such third party;

(e) Except for (i) a release of the Release Property that is effected in order to cure a Qualified Release Property Default, (ii) any contribution to Borrower TRS described in the *proviso* of the foregoing **clause (d)**, (iii) any Transfer of Properties to an Affiliate of Borrower (excluding any contributions to Borrower TRS permitted pursuant to **clause (ii)** above) in an aggregate amount equal to or less than five percent (5%) of the number of Properties as of the Closing Date, (iv) a release of Designated HOA Properties or (v) any other Transfer of Properties with respect to which the Borrower has obtained a Rating Agency Confirmation to the effect that such Transfer shall not cause a downgrade, withdrawal or qualification of the ratings assigned, or to be assigned, to the Securities or any class thereof in any Securitization, the Release Property shall be Transferred pursuant to a bona fide all-cash sale of the Release Property on arm’s-length terms and conditions;

(f) On or prior to the Transfer Date, Borrower shall prepay the Outstanding Principal Balance by an amount equal to the applicable Release Amount for the Release Property, and Borrower shall comply with the provisions and pay to Lender the amounts set forth in **Section 2.4.4**;

(g) If a Cash Sweep Period is continuing on the Transfer Date, the excess, if any, of (i) the Net Transfer Proceeds for the Release Property over (ii) the applicable Release Amount for the Release Property and any other amounts payable to Lender in connection with such release, shall be deposited into the Cash Collateral Subaccount;

(h) Borrower shall submit to Lender, not less than five (5) Business Days' prior to the Transfer Date, a draft release for the applicable Mortgage Documents (and, in the event the Mortgage and the Collateral Assignment of Leases and Rents applicable to the Release Property encumber other Property(ies) in addition to the Release Property, such release shall be a partial release that relates only to the Release Property and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which the Release Property is located and shall contain standard provisions protecting the rights of Lender. In addition, Borrower shall provide all other documentation of a ministerial or administrative nature that Lender reasonably requires to be delivered by Borrower in connection with such release or assignment;

(i) Borrower shall have paid all taxes and all reasonable out-of-pocket costs and expenses incurred by Lender and/or its Servicer in connection with any such release and, in addition, the fee specified on **Schedule VI** as being assessed by Servicer to effect such release; and

(j) Notwithstanding anything to the contrary contained herein or in any other Loan Document, if the Loan is included in a REMIC Trust and the ratio of the Outstanding Principal Balance to the value of the remaining Properties (as determined by Lender in its sole discretion using any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of any personal property (other than fixtures) or going concern value, if any) exceeds or would exceed 125% immediately after giving effect to the release of the Release Property, no release will be permitted unless the principal balance of the Loan is prepaid by an amount not less than the greater of (i) the Release Amount or (ii) the least amount that is a "qualified amount" as that term is defined in IRS Revenue Procedure 2010-30, as the same may be amended, replaced, supplemented or modified from time to time, unless Lender receives an opinion of counsel that, if this **Section 2.5(j)** is applicable but not followed or is no longer applicable at the time of such release, the Securitization will not fail to maintain its status as a REMIC Trust as a result of the release of the Release Property.

Section 2.6 **Rent Deposit Account/Cash Management**

.

2.6.1 **Rent Deposit Account**

.

(a) During the Term, Borrower shall establish and maintain an account for the purpose of collecting Rents (the "**Rent Deposit Account**") at an Eligible Institution selected by Borrower and reasonably approved by Lender (the "**Rent Deposit Bank**"). Borrower shall require each current and future Tenant to send all payments of Rent (whether by cash, check or electronic means) directly to the Rent Deposit Bank, payable to Borrower, for deposit into the Rent Deposit Account. On or prior to the Closing Date, the Rent Deposit Bank will be instructed by Borrower to deposit all Rents received with respect to the Properties directly into the Rent Deposit Account. Without the consent of Lender, neither Borrower nor Manager shall direct or

cause the Rent Deposit Bank to deposit Rents in any bank account other than the Rent Deposit Account. If Borrower or Manager shall receive any Rents, then Borrower shall and shall cause Manager to deposit such Rents into the Rent Deposit Account within three (3) Business Days after receipt thereof by Borrower or Manager. Borrower shall (or instruct Manager to) cause all funds on deposit in the Rent Deposit Account to be deposited into the Cash Management Account every second (2nd) Business Day (or more frequently in Borrower's discretion); **provided**, that prior to any acceleration of the Loan, Borrower may cause Rent Deposit Account Bank to retain a reasonable amount of funds in the Rent Deposit Account with respect to anticipated overdrafts, charge-backs and bank fees and any minimum balance required by the Deposit Account Control Agreement or account terms for the Rent Deposit Account, not in excess of \$100,000 in the aggregate. Borrower hereby grants to Lender a first-priority security interest in the Rent Deposit Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Rent Deposit Account, including, without limitation, filing UCC-1 financing statements and continuations thereof. The Rent Deposit Account shall be subject to a Deposit Account Control Agreement and Borrower and Manager shall have access to and may make withdrawals from and may direct the Rent Deposit Bank to withhold the deposit of Rent payments from the Rent Deposit Account for the sole purpose of making Rent Refunds; **provided**, that, in no event shall the amount of Rent Refunds so withdrawn from or withheld from the Rent Deposit Account during any calendar month exceed two and one-half percent (2.5)% of the total Rents actually deposited into the Rent Deposit Account during the prior calendar month; **provided, further**, that during the continuance of an Event of Default, Lender may exercise sole control and dominion over the Rent Deposit Account and neither Borrower nor Manager shall have the right of access to, withdraw from or to give such direction regarding the Rent Deposit Account. All monies now or hereafter deposited into the Rent Deposit Account shall be deemed additional security for the Debt.

(b) During the continuance of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in the Rent Deposit Account to the payment of the Debt in any order in its sole discretion.

(c) The Rent Deposit Account shall not be commingled with other monies held by Borrower, Manager or Rent Deposit Bank.

(d) Borrower shall not further pledge, assign or grant any security interest in the Rent Deposit Account or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 financing statements, except those naming Lender as the secured party, to be filed with respect thereto.

(e) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and out-of-pocket costs and expenses (including litigation costs and reasonable attorneys' fees and expenses) arising from or in any way connected with the Rent Deposit Account and/or the related Deposit Account Control Agreement (unless arising from the gross negligence or willful misconduct of Lender) or the performance of the obligations for which the Rent Deposit Account was established.

2.6.2 Cash Management Account

(a) During the Term, Borrower shall establish and maintain a segregated Eligible Account (the “**Cash Management Account**”) to be held by Cash Management Account Bank in trust and for the benefit of Lender, which Cash Management Account shall be under the sole dominion and control of Lender or the Servicer on behalf of Lender. Borrower hereby grants to Lender a first-priority security interest in the Cash Management Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first-priority security interest in the Cash Management Account, including, without limitation, filing UCC-1 financing statements and continuations thereof. Borrower will not in any way alter or modify the Cash Management Account. Lender and Servicer on behalf of Lender shall have the sole right to make withdrawals from the Cash Management Account and all costs and expenses for establishing and maintaining the Cash Management Account shall be paid by Borrower.

(b) The insufficiency of funds on deposit in the Cash Management Account shall not relieve Borrower from the obligation to make any payments, as and when due pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

(c) All funds on deposit in the Cash Management Account following the occurrence of an Event of Default may be applied by Lender in such order and priority as Lender shall determine.

(d) In the event of any Transfer of any Property, Borrower or Borrower TRS, as applicable, shall (or shall cause Manager or the closing title company or escrow agent, as applicable, to) deposit directly into the Cash Management Account the Net Transfer Proceeds for allocation in accordance with the terms of this Agreement. Borrower shall cause all Cap Receipts to be paid directly to the Cash Management Account. Except as expressly provided herein, Borrower shall, and shall cause Manager to, deposit any other Collections received by or on behalf of Borrower directly into the Cash Management Account or Rent Deposit Account within three (3) Business Days following receipt thereof; *provided*, that Insurance Proceeds and Condemnation Proceeds shall be handled in accordance with **Sections 5.2, 5.3 and 5.4**.

(e) Lender may also establish subaccounts of the Cash Management Account which shall at all times be Eligible Accounts (and may be ledger or book entry accounts and not actual accounts) (such subaccounts are referred to herein as “**Subaccounts**”). The Reserve Funds will be maintained in Subaccounts.

(f) The Cash Management Account and all other Subaccounts shall be subject to the Blocked Account Control Agreement and shall be under the sole control and dominion of Lender or Servicer on behalf of Lender. Neither Borrower nor Manager shall have the right of withdrawal with respect to the Cash Management Account or any Subaccounts except with the prior written consent of Lender, and neither Borrower, Manager, nor any Person claiming on or behalf of or through Borrower or Manager shall have any right or authority to give instructions with respect to the Cash Management Account or the Subaccounts.

(g) Borrower acknowledges and agrees that Cash Management Account Bank shall comply with (i) the instructions originated by Lender with respect to the disposition of funds in the Cash Management Account and the Subaccounts without the further consent of Borrower or Manager or any other Person and (ii) all “entitlement orders” (as defined in Section 8-102(a)(8) of the UCC) and instructions originated by Lender directing the transfer or redemption of any financial asset relating to the Cash Management Account or any Subaccount without further consent by Borrower or any other Person. The Cash Management Account and each Subaccount is and shall be treated either as a “securities account”, as such term is defined in Section 8-501(a) of the UCC, or a “deposit account”, as defined in Section 9-102(a)(29) of the UCC.

(h) During the Term, Borrower shall not and shall cause Manager not to deposit Rents or other Collections into any account other than a Rent Deposit Account or the Cash Management Account.

2.6.3 Order of Priority of Funds in Cash Management Account

. Unless otherwise directed by Lender during the continuance of an Event of Default pursuant to **Section 2.6.4**, on each Payment Date during the Term, Collections on deposit in the Cash Management Account (less any fees and expenses of the Cash Management Account Bank then due and payable) on such day shall be applied on such Payment Date in the following order of priority:

(a) *first*, to Borrower, funds sufficient to pay the Rent Refund Monthly Disbursement Amount for such Payment Date, if any;

(b) *second*, to the applicable Security Deposit Account, the amount of any security deposits that have been deposited into the Cash Management Account by Borrower during the calendar month ending immediately prior to such Payment Date, as set forth in a written notice from Borrower to Lender delivered pursuant to **Section 4.3.9**;

(c) *third*, to Lender the amount of any mandatory prepayment of the Outstanding Principal Balance pursuant to **Sections 2.4.2** then due and payable and all other amounts payable in connection therewith, such amounts to be applied in the manner set forth in **Section 2.4.4(d)**;

(d) *fourth*, to the Tax Subaccount, to make the required payments of Tax Funds as required under **Section 6.1**, subject to **Section 6.1.4** if a Property Tax Prepayment Election is in effect;

(e) *fifth*, to the Insurance Subaccount, to make any required payments of Insurance Funds as required under **Section 6.2**;

(f) *sixth*, to Lender, funds sufficient to pay the Monthly Debt Service Payment Amount, applied (i) first, to the payment of interest then due and payable on Component A, (ii) second, to the payment of interest then due and payable on Component B, (iii) third, to the payment of interest then due and payable on Component C, (iv) fourth, to the payment of interest then due and payable on Component D, (v) fifth, to the payment of interest then due and payable on Component E, and (vi) sixth, to the payment of interest then due and payable on Component F;

(g) *seventh*, to Manager, (i) management fees payable for the calendar month ending immediately prior to such Payment Date, but not in excess of the Management Fee Cap for such calendar month and (ii) leasing commissions payable for the calendar month ending immediately prior to such Payment Date to Manager, including in respect of leasing commissions payable by Manager to third-party property managers pursuant to sub-management agreements;

(h) *eighth*, to the Capital Expenditure Subaccount, to make the required payments of Capital Expenditure Funds as required under **Section 6.3**;

(i) *ninth*, to Lender, any other fees, costs, expenses (including Trust Fund Expenses) or indemnities then due or payable under this Agreement or any other Loan Document;

(j) *tenth*, all amounts remaining after payment of the amounts set forth in **clauses (a)** through **(i)** above (the “**Available Cash**”) either:

(i) if as of a Payment Date no Cash Sweep Period is continuing, any remaining amounts to Borrower’s Operating Account; and

(ii) if as of a Payment Date a Cash Sweep Period is continuing:

(A) *first*, to Borrower’s Operating Account, funds in an amount equal to the Monthly Budgeted Amount;

(B) *second*, to Borrower’s Operating Account, payments for Approved Extraordinary Expenses, if any; and

(C) *third*, to the Cash Collateral Subaccount to be held or disbursed in accordance with **Section 6.6**.

2.6.4 Application During Event of Default

. Notwithstanding anything to the contrary contained herein (including **Section 2.6.3**), upon the occurrence and during the continuance of an Event of Default, Lender, at its option, may apply any Collections then in the possession of Lender, Servicer or the Cash Management Account Bank (including any Reserve Funds on deposit in the Subaccounts) or the Rent Deposit Bank to the payment of the Debt in such order, proportion and priority as Lender may determine in its sole and absolute discretion. Lender’s right to withdraw and apply any of the foregoing funds shall be in addition to all other rights and remedies provided to Lender under the Loan Documents.

2.6.5 Payments Received in the Cash Management Account

. Notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, and provided no Event of Default has occurred and is continuing, Borrower’s obligations with respect to the payment of the Monthly Debt Service Payment Amount and amounts required to be deposited into the Reserve Funds, if any, shall be deemed satisfied to the extent sufficient amounts taking into account the order and priority set forth in **Section 2.6.2**) are deposited in the Cash Management Account to satisfy such obligations pursuant to this Agreement on the dates each such payment is required, regardless of whether any of such amounts are so applied by Lender.

Section 2.7 Withholding Taxes

(a) **Payments Free of Taxes.** Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of the Borrower) requires the deduction or withholding of any Tax from any such payment by the Borrower, then the Borrower shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this **Section 2.7(a)**) the Lender receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) **Payment of Other Taxes by the Borrower.** The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law any Other Taxes.

(c) **Indemnification by the Borrower.** The Borrower shall indemnify Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Lender or required to be withheld or deducted from a payment to such Lender and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender shall be conclusive absent manifest error.

(d) **Evidence of Payments.** As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this **Section 2.7**, the Borrower shall deliver to the Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Lender.

(e) **Status of Borrower and Lenders.**

(i) Borrower shall not at any time make an election to be treated as a corporation for U.S. federal income tax purposes but shall maintain its tax status as either a “disregarded entity” or “partnership” for purposes of U.S. federal income tax purposes.

(ii) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower, at the time or times reasonably requested by the Borrower, such properly completed and executed documentation reasonably requested by the Borrower as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower as will enable the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in

Section 2.7(e)(ii)(A), (ii)(B) and (ii)(D)) shall not be required if in the Lender’s reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(iii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN (in the case of an individual) or IRS Form W-8BEN-E (in the case of an entity) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN (in the case of an individual) or IRS Form W-8BEN-E (in the case of an entity) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(4) to the extent a Foreign Lender is a partnership or is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate, reasonably satisfactory to Borrower, IRS

Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided*, that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate, reasonably satisfactory to Borrower, on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower at the time or times prescribed by law and at such time or times reasonably requested by the Borrower such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower as may be necessary for the Borrower to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this **clause (D)**, "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower in writing of its legal inability to do so.

(f) **Treatment of Certain Refunds.** If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this **Section 2.7** (including by the payment of additional amounts pursuant to this **Section 2.7**), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this **Section 2.7(f)** (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such

refund to such Governmental Authority. Notwithstanding anything to the contrary in this **Section 2.7(f)**, in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this **Section 2.7(f)** the payment of which would place the indemnified party in a less favorable net after-tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This **Section 2.7(f)** shall not be construed to require any indemnified party to make available its tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) **Survival.** Each party's obligations under this **Section 2.7** shall survive any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 2.8 **Extension of the Initial Maturity Date**

. Borrower shall have the option to extend the term of the Loan beyond the Initial Maturity Date of the Loan for three (3) successive terms (each such option, an "**Extension Option**" and each such successive term, an "**Extension Term**"), the first two (2) such Extension Terms being one (1) year each and the third Extension Term being fifteen (15) months (the Maturity Date following the exercise of each such option is hereinafter the "**Extended Maturity Date**") upon satisfaction of the following terms and conditions:

(a) no Event of Default shall have occurred and be continuing on the Initial Maturity Date or the then-current Extended Maturity Date (as applicable);

(b) Borrower shall provide Lender with written notice of its election to extend the Maturity Date as aforesaid not later than twenty (20) days and not earlier than one hundred twenty (120) days prior to the date the Loan is then scheduled to mature. Borrower shall have the right to revoke any notice of its election to extend the Maturity Date by giving written notice to Lender not less than five (5) Business Days prior to the Initial Maturity Date or the then-current Extended Maturity Date, as applicable (*provided* that Borrower shall pay all actual out-of-pocket costs and expenses of Lender incurred in reliance upon the expected extension of the term of the Loan, including any Breakage Costs);

(c) Borrower shall obtain (and thereafter maintain in effect for the Extension Term or until earlier repayment of the Loan in full) and deliver to Lender on the first day of the applicable Extension Term, one or more Replacement Interest Rate Cap Agreements from an Acceptable Counterparty in a notional amount equal to the aggregate Component Outstanding Principal Balances of the Components, which Interest Rate Cap Agreement shall be effective commencing on the first date of such Extension Term and shall have a scheduled term that expires not earlier than the last day of the Interest Period in which the applicable Extended Maturity Date is scheduled to occur after giving effect to the option then being exercised;

ARTICLE III - REPRESENTATIONS AND WARRANTIES

Section 3.1 General Representations

. Borrower represents and warrants to Lender as of the Closing Date that, except to the extent (if any) disclosed on **Schedule III** with reference to a specific subsection of this **Section 3.1**:

Each Loan Party is duly qualified to do business and in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations, except to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect. Each Loan Party possesses all rights, licenses, permits and authorizations, governmental or otherwise, necessary to entitle it to own its properties and to transact the businesses in which it is now engaged, except to the extent that failure to do so could not in the aggregate reasonably be expected to have a Material Adverse Effect. The sole business of Borrower is the acquisition, renovation, rehabilitation, ownership, maintenance, sale, transfer, financing, refinancing, management, leasing and operation of the Properties and other activity in furtherance thereof; and the sole business of Borrower GP is acting as the sole general partner of Borrower and any other activity in furtherance thereof, including, providing the

Each Loan Party is a Special Purpose Entity.

3.1.2 Proceedings

. Each Loan Party has taken all necessary action to authorize the execution, delivery and performance of this Agreement and each of the other Loan Documents to which it is a party. This Agreement and the other Loan Documents have been duly authorized, executed and delivered by or on behalf of each Loan Party party thereto and constitute legal, valid and binding obligations of each Loan Party party thereto, enforceable against each such Loan Party party thereto in accordance with their respective terms, subject only to applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting the rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law). The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by any Loan Party including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable, and no Loan Party has asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

3.1.3 No Conflicts

. The execution, delivery and performance of this Agreement and the other Loan Documents by each Loan Party party thereto (i) will not contravene such Loan Party's organizational documents, (ii) will not result in any violation of the provisions of any Legal Requirement of any Governmental Authority having jurisdiction over any Loan Party or any of each Loan Party's properties or assets, (iii) with respect to each Loan Party, will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under the terms of any indenture, mortgage, deed of trust, deed to secure debt, loan agreement, management agreement or other agreement or instrument to which such Loan Party is a party or to, which any of such Loan Party's property or assets is subject, that would be reasonably expected to have a Material Adverse Effect and (iv) with respect to each Loan Party, except for Liens created under the Loan Documents, result in or require the creation or imposition of any Lien upon or with respect to any of the assets of such Loan Party.

. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other entity now pending or, to the actual knowledge of a Responsible Officer of Manager or any Loan Party, threatened, against or affecting any Loan Party or Manager, as applicable, which actions, suits or proceedings (i) involve the Loan Documents or the transactions contemplated thereby or (ii) if adversely determined, would reasonably be expected to have a Material Adverse Effect. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other entity that resulted in a judgment against any Loan Party that has not been paid in full that would otherwise constitute an Event of Default.

3.1.5 Agreements

. No Loan Party is a party to any agreement or instrument or subject to any restriction which would reasonably be expected to have a Material Adverse Effect. No Loan Party is in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement or instrument to which it is a party which default would be expected to have a Material Adverse Effect. Other than the Loan Documents, no Loan Party has a material financial obligation (contingent or otherwise) under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which any Loan Party is a party other than, with respect to Borrower or Borrower TRS, the Management Agreement, the Leases or any other agreement into which Borrower or Borrower TRS is permitted to enter pursuant to the terms of the Loan Documents.

Each Plan that is intended to be qualified under Section 401(a) of the Code as currently in effect has been determined by the IRS to be so qualified, and each trust related to any such Plan has been determined to be exempt from federal income tax under Section 501(a) of the Code as currently in effect, and no event has taken place which could reasonably be expected to cause the loss of such qualified status and exempt status. With respect to each Plan of a Loan Party, each Loan Party and all of its ERISA Affiliates have satisfied the minimum funding standard under Section 412(a) of the Code and Section 302(a) of ERISA and paid all required minimum contributions and all required installments on or before the due dates under Section 430(j) of the Code and Section 303(j) of ERISA. No Loan Party or any of its ERISA Affiliates has incurred any liability to the PBGC which remains outstanding other than the payment of premiums, and there are no premium payments which have become due which are unpaid. No Plan is in "at risk" status within the meaning of Section 430(i) of the Code or Section 303(j) of ERISA. There are no existing, pending or threatened in writing claims (other than routine claims for benefits in the normal course), sanctions, actions, lawsuits or other proceedings or investigation involving any Plan to which any Loan Party or any of its ERISA Affiliates has incurred or otherwise has or could have an obligation or any liability. With respect to each Multiemployer Plan to which any Loan Party or any of its ERISA Affiliates is required to make a contribution, each Loan Party and all of its ERISA Affiliates have satisfied all required contributions and installments on or before the applicable due dates and have not incurred a complete or partial withdrawal under Section 4203 or 4205 of ERISA. No Plan Termination Event has or is reasonably expected to occur.

The aggregate of the liabilities to provide all of the accrued benefits under each Foreign Plan does not exceed the current fair market value of the assets held in the trust or other funding vehicle for such plan. There are no actions, suits or claims (other than routine claims for benefits) pending or threatened against any Loan Party or any of its ERISA Affiliates with respect to any Foreign Plan.

3.1.10 Compliance with Legal Requirements

. Each Loan Party is in compliance with all applicable Legal Requirements, except to the extent that any noncompliance would not reasonably be expected to have a Material Adverse Effect. The foregoing representation shall not apply to any such financial data that constitutes projections, *provided* that Borrower represents and warrants that such projections were made in good faith and that Borrower has no reason to believe that such projections were materially inaccurate. Borrower does not have any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and would reasonably be expected to have a Material Adverse Effect, except as referred to or reflected in said financial statements. Borrower has no liabilities or other obligations that arose or accrued prior to the Closing Date that would reasonably be expected to have a Material Adverse Effect. Borrower has no known material contingent liabilities.

3.1.12 Insurance

All such Policies are in full force and effect, with all premiums that are due and payable prepaid thereunder. No claims have been made that are currently pending, outstanding or otherwise remain unsatisfied under any such Policies that would reasonably be expected to have a Material Adverse Effect. With respect to any Policy, neither Borrower nor, to Borrower's or Manager's knowledge, any other Person, has done, by act or omission, anything which has impaired or would reasonably be expected to impair the coverage of any of the Policies in any material respect.

3.1.15 Special Purpose Entity/Separateness

3.1.17 Illegal Activity

. None of the Properties has been or will be purchased with proceeds of any illegal activity.

 - (B) if a Transfer is made pursuant to this **clause (vi)** and such Transfer shall cause more than ten percent (10%) of the direct or indirect legal or beneficial interests in each Loan Party to be owned by any Person and its Affiliates that owned less than ten percent (10%) of the direct or indirect legal or beneficial interests in such Loan Party prior to such Transfer, then Lender shall receive notice of such Transfer not less than (x) if the Qualified Transferee referenced in **clause (A)** above is not the Sponsor or a one hundred percent (100%) owned subsidiary of the Sponsor, ten (10) Business Days prior to the consummation thereof or (y) if the Qualified Transferee referenced in **clause (A)** above is the Sponsor or a one hundred percent (100%) owned subsidiary of the Sponsor, thirty (30) days following the consummation thereof, but the failure to deliver the notice referred to in this **clause (y)** shall not constitute an Event of Default unless such failure continues for ten (10) Business Days following notice of such failure from Lender;

(G) so long as the Loan is outstanding, (A) no pledge or other encumbrance of any direct interests in any Restricted Party (other than pledges securing the Obligations pursuant to the Collateral Documents) shall occur, and (B) no Restricted Party shall issue preferred equity that has the characteristics of mezzanine debt (such as a fixed maturity date, regular payments of interest, a fixed rate of return and rights of the equity holder to demand repayment of its investment);

(H) Borrower shall provide Lender with copies of all organizational documents and all transaction documents relating to any Transfer under this **clause (vi)** involving a direct legal or beneficial interest in any Restricted Party; and

(I) In connection with any Transfer under this **clause (vi)**, to the extent a transferee shall own ten percent (10%) or more of the direct or indirect ownership interests in a Loan Party immediately following such transfer (provided such transferee owned less than ten percent (10%) of the direct or indirect ownership interests in a Loan Party as of the Closing Date), Borrower shall deliver (and Borrower shall be responsible for any reasonable out-of-pocket costs and expenses in connection therewith), customary searches reasonably requested by Lender in writing (including credit, judgment, lien, litigation, bankruptcy, criminal and watch list) reasonably acceptable to Lender with respect to such transferee.

payment due date and annual payments to the HOA, which such Quarterly HOA Report shall be certified by a Responsible Officer of Borrower as true, correct and complete in all material respects.

(b) On or prior to the Closing Date, Borrower shall have delivered to the Lender the Closing Date HOA Opinions and the Closing Date OSN Certificate. Subject to the remainder of this **clause (b)**, Borrower shall deliver to Lender, within twenty (20) Business Days after June 30 and December 31 of each calendar year, commencing with the date that is twenty (20) Business Days after June 30, 2018, with respect to each state that is not treated as an Applicable HOA State under this Agreement, one or more legal opinions (which may be in the form of a bring-down or date-down opinion with respect to an earlier delivered opinion, including, without limitation, the Closing Date HOA Opinion) from a nationally recognized law firm (or one with prominent standing in the applicable state or otherwise reasonably acceptable to Lender) opining with respect to each such state in which a Property is located whether such state is an Applicable HOA State (as defined under **clause (a)** of the definition thereof). Any opinion required to be delivered pursuant to this **Section 4.3.17(b)** may be aggregated with any other opinion required to be delivered to Lender (or Servicer on behalf of Lender) so long as all the states in which Properties are located are included in such opinion or opinions and such opinion or opinions specifically reference this Agreement and otherwise meet the requirements of this **Section 4.3.17(b)**. If, with respect to any state in which a Property is located, (i) Borrower fails to deliver to Lender an opinion pursuant to this **Section 4.3.17(b)**, the Lender may in its sole and absolute discretion designate such state an Applicable HOA State by written notice to Borrower or (ii) any opinion delivered to Lender pursuant to this **Section 4.3.17(b)** shall be materially different from any Closing Date HOA Opinion and such differences are not satisfactory to Lender in its sole and absolute discretion, Lender may request in writing that Borrower obtain a second opinion from a nationally recognized law firm (or one with prominent standing in the applicable state or otherwise reasonably acceptable to Lender) and deliver such opinion to Lender within twenty (20) Business Days of such written request and (1) if Borrower fails to deliver such a second opinion to Lender, the Lender may in its sole and absolute discretion designate such state an Applicable HOA State by written notice to Borrower or (2) if any such second opinion delivered to Lender shall be materially different from any Closing Date HOA Opinion and such differences are not satisfactory to Lender in its sole and absolute discretion and Lender believes in good faith that such state is an Applicable HOA State (as defined under **clause (a)** of the definition thereof), Lender may designate such state an Applicable HOA State by written notice to Borrower. In addition, if, as a result of any such differences Lender believes in good faith that any provisions for the subordination of Liens for HOA Fees to the Lien of the Mortgages are unenforceable under the laws of an Applicable HOA State or that such Lien for HOA Fees would be entitled to Priority, Lender may redesignate all affected HOA Properties in such Applicable HOA State as Applicable HOA Properties. On the Closing Date, Lender acknowledges based on the Closing Date HOA Opinions and the Closing Date OSN Certificate that there are no Applicable HOA States. Notwithstanding the foregoing or anything herein to the contrary, Lender shall not be permitted to declare a state an Applicable HOA State pursuant to this **Section 4.3.17(b)** if Lender or its Servicer (excluding any special servicer) has received a legal opinion from a nationally recognized law firm (or one with prominent standing in the applicable state or otherwise reasonably acceptable to Lender) that if delivered by Borrower and

referencing this Agreement would have resulted in such state not being declared an Applicable HOA State.

(c) If subsequent to the Closing Date there is consummated a securitization of a single borrower single family residential rental financing similar to the transactions contemplated by this Agreement and such financing contains HOA reporting and/or HOA Opinion delivery requirements and/or HOA Funds reserve requirements that are less burdensome to the borrower thereunder than those required by this Agreement (including **Sections 4.3.17, 4.4.8, 6.1.3, 6.1.4, 6.1.5** and **Schedule V**), then subject to a Rating Agency Confirmation, Borrower shall have the right to require Lender to amend this Agreement in a manner consistent with such less burdensome requirements.

Notwithstanding the foregoing, Borrower shall pay any contested Property Taxes and HOA Fees (or, if cash or other security has been provided, Lender may pay over any such cash or other security held by Lender to the claimant entitled thereto) if, in the Lender's reasonable judgment, any Property or other Collateral (or any part thereof or interest therein) shall be in danger of being sold, forfeited, terminated, cancelled or

(iv) the issuers thereof shall give notice to Lender if a Policy has not been renewed ten (10) days prior to its expiration.

(d) Certificates of insurance evidencing the Policies shall be delivered to Lender on the Closing Date with respect to the current Policies. Further, not less than ten (10) days prior to the expiration dates of the Policies theretofore furnished to Lender, Borrower shall deliver to Lender certificates of insurance evidencing the Policies (and, upon the written request of Lender, copies of such Policies) accompanied by evidence satisfactory to Lender of payment of the premiums due thereunder (the "**Insurance Premiums**").

(e) Any blanket insurance Policy shall otherwise provide the same protection as would a separate Policy insuring only the Properties in compliance with the provisions of **Section 5.1.1(a)** (any such blanket policy, an "**Acceptable Blanket Policy**").

(f) All Policies of insurance provided for or contemplated by **Section 5.1.1(a)**, except for the Policy referenced in **Section 5.1.1(a)(iv)**, shall name Borrower as the insured and Lender and its successors and/or assigns as mortgagee and loss payee, as its interests may appear, and in the case of property damage, boiler and machinery, windstorm, flood and earthquake insurance, shall contain a so-called New York standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender unless below the threshold for Borrower to handle such claim without Lender intervention as provided in **Section 5.2**. Additionally, if Borrower obtains property insurance coverage in addition to or in excess of that required by **Section 5.1.1(a)(i)**, then such insurance policies shall also contain a so-called New York standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender.

(g) If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in the Properties, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate after three (3) Business Days' notice to Borrower if prior to the date upon which any such coverage will lapse or at any time Lender deems necessary (regardless of prior notice to Borrower) to avoid the lapse of any such coverage. All premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and, until paid, shall be secured by the Collateral Documents and shall bear interest at the Default Rate.

(h) In the event of foreclosure of the pledge of any Equity Interest of Borrower pursuant to either the Equity Owner Security Agreement or the Borrower GP Security Agreement the Policies shall remain in full force and effect.

Section 5.2 **Casualty**

. If a Property is damaged or destroyed in whole or in part by fire or other casualty (a “**Casualty**”) and either (a) the aggregate loss amount with respect to the damaged Property is or is reasonably expected to exceed \$25,000, or (b) the damaged Property is or is reasonably expected to be rendered uninhabitable for more than thirty (30) days as a result of the Casualty, then (i) the Borrower is required to file proof of loss under the applicable Policy or Policies and (ii) the Borrower shall give prompt notice of the Casualty to the Lender. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies (and shall approve any final settlement) (x) if an Event of Default is continuing or (y) with respect to any single Casualty event in which the Net Proceeds or the costs of completing the Restoration of the affected Property or Properties are reasonably expected to be equal to or greater than the Casualty Threshold Amount and Borrower shall deliver to Lender all instruments required by Lender to permit such participation. Any Insurance Proceeds in connection with any Casualty (whether or not Lender elects to settle and adjust the claim or Borrower settles such claim) shall be due and payable solely to Lender and held by Lender in accordance with the terms of this Agreement. If Borrower or any party other than Lender receives any Insurance Proceeds or Condemnation Proceeds, Borrower shall immediately deliver such proceeds to Lender and shall endorse, and cause all such third parties to endorse, check payable therefor to the order of Lender. Borrower hereby irrevocably appoints Lender as its attorney-in-fact, coupled with an interest, to endorse any such check payable to the order of Lender. Borrower hereby releases Lender from any and all liability with respect to the settlement and adjustment by Lender of any claims in respect of any Casualty.

Section 5.3 **Condemnation**

. Borrower shall promptly give Lender notice of the actual or, to the extent in writing, threatened commencement of any proceeding for the Condemnation of all or any portion of a Property and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings which is reasonably expected to involve an Award of an amount greater than the Casualty Threshold Amount. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Condemnation Proceeds shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. If Borrower or any party other than Lender receives any Condemnation Proceeds, Borrower shall immediately deliver such proceeds to Lender and shall endorse, and cause all such third parties to endorse, a check payable therefore to the order of Lender. Lender shall not be limited to the interest paid on the Award by the condemning

authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. Net Proceeds from a Condemnation shall be applied as follows:

(a) If a partial Condemnation of a Property does not interfere with the use of such Property as a residential rental property, then the Net Proceeds paid by the condemning authority shall be applied to the prepayment of the Debt in accordance with **Section 2.4.2(c)**.

(b) If a partial Condemnation of a Property does interfere with the use of such Property as a residential rental property or if there occurs a complete Condemnation of a Property (each, a “**Fully Condemned Property**”), then (i) if no Event of Default shall have occurred and be continuing and, within thirty (30) days of the date of the occurrence of such Condemnation, Borrower delivers to Lender a written undertaking to substitute the Fully Condemned Property with a Substitute Property in accordance with the requirements of **Section 2.4.2(a)**, then (A) if Net Proceeds are paid by the condemning authority directly to Borrower subsequent to such Substitution, such Net Proceeds may be retained by Borrower (for the avoidance of doubt, Net Proceeds received by Borrower prior to such Substitution shall be immediately paid to Lender as required by **Section 5.2**), (B) if Net Proceeds are paid by the condemning authority to Lender, such Net Proceeds will be disbursed by Lender to Borrower upon the consummation of such Substitution and (C) Borrower shall provide a Substitute Property within ten (10) Business Days of the date of such undertaking in accordance with the requirements of **Section 2.4.2(a)** and (ii) if an Event of Default shall have occurred and be continuing or Borrower fails to deliver such an undertaking to Lender, then (A) Lender may retain any Net Proceeds received by it, (B) Borrower shall immediately deliver to Lender any Net Proceeds paid to Borrower, (C) the Net Proceeds shall be applied to the prepayment of the Debt in an amount equal to the Release Amount for the Fully Condemned Property in accordance with **Section 2.4.2(c)** and (D) Borrower shall prepay the Loan in an amount equal to the excess, if any, of the Release Amount for the Fully Condemned Property over such Net Proceeds. Promptly following Borrower’s written request after either (1) the Substitution of a Substitute Property for such Fully Condemned Property in accordance with the conditions set forth above or (2) receipt by Lender of the Net Proceeds and payment of the Release Amount for such Property, Lender shall (x) release the Fully Condemned Property from the applicable Mortgage Documents and related Lien, *provided*, that (A) Borrower has delivered to Lender a draft release (and, in the event the Mortgage and the Collateral Assignment of Leases and Rents applicable to the Fully Condemned Property encumbers other Property (ies) in addition to the Fully Condemned Property, such release shall be a partial release that relates only to the Fully Condemned Property and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such Fully Condemned Property is located and shall contain standard provisions protecting the rights of Lender and (B) Borrower shall pay all costs, taxes and expenses associated with such release (including, without limitation, cost to file and record the release and Lender’s reasonable attorneys’ fees) and (y) disburse to Borrower (A) in the case of a Substitution of a Substitute Property for such Fully Condemned Property, the Net Proceeds paid by the condemning authority and (B) in the case of the payment of the Release Amount for such Property, the Net Proceeds paid by the condemning authority in excess of the Release Amount for such Property; *provided* that, during the continuance of a Cash Sweep Period, the applicable Net Proceeds shall

instead be delivered to the Cash Collateral Subaccount and disbursed in accordance with **Section 6.6.3**.

Section 5.4 **Restoration**

The following provisions shall apply in connection with the Restoration of any Property affected by a Casualty:

(a) If the Net Proceeds reasonably expected to be received in connection with any single Casualty event is less than the Casualty Threshold Amount, then, (i) if no Event of Default shall have occurred and be continuing and, within sixty (60) days of the date of the occurrence of such Casualty, Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration of the affected Properties in accordance with the terms of this Agreement, then (A) if Net Proceeds are paid by the insurance company directly to Borrower subsequent to delivering such undertaking, such Net Proceeds may be retained by Borrower (for the avoidance of doubt, Net Proceeds received by Borrower prior to delivering such undertaking shall be immediately paid to Lender as required by **Section 5.2**), (B) if Net Proceeds are paid by the insurance company to Lender, such Net Proceeds will be disbursed by Lender to Borrower and (C) Borrower shall conduct the Restoration of the affected Properties in accordance with the terms of **Section 5.4(c)** and (ii) if an Event of Default shall have occurred and be continuing or Borrower fails to deliver such an undertaking to Lender, then (A) Lender may retain any Net Proceeds received by it, (B) Borrower shall immediately deliver to Lender any Net Proceeds paid to Borrower as required by **Section 5.2**, (C) such Net Proceeds shall be applied to the prepayment of the Debt in an amount equal to the Release Amount for such Property in accordance with **Section 2.4.2 (c)**, (D) Borrower shall prepay the Loan in an amount equal to the excess, if any, of the Release Amount for such Property over such Net Proceeds, and (E) promptly following Borrower's written request and receipt by Lender of the Net Proceeds and payment by Borrower of the amounts set forth in **clause (D)** above, if any, Lender shall (x) release the affected Properties from the applicable Mortgage Documents and related Liens, *provided*, that (A) Borrower has delivered to Lender draft releases (and, in the event any of the Mortgages and the Assignments of Leases and Rents applicable to any of the affected Properties encumber other Property(ies) in addition to the affected Properties, such release shall be a partial release that relates only to the affected Property(ies) and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such affected Properties are located and shall contain standard provisions protecting the rights of Lender and (B) Borrower shall pay all costs, taxes and expenses associated with such release (including, without limitation, cost to file and record the release and Lender's reasonable attorneys' fees) and (y) disburse to Borrower (A) in the case of a Substitution of a Substitute Property for such Property, the Net Proceeds paid by the insurance company and (B) in the case of the payment of the Release Amount for such Property, the Net Proceeds paid by the insurance company in excess of the Release Amount for such Property, if any; *provided* that, during the continuance of a Cash Sweep Period, the applicable Net Proceeds shall instead be delivered to the Cash Collateral Subaccount and disbursed in accordance with **Section 6.6.3**.

(b) If the Net Proceeds reasonably expected to be received in connection with any single Casualty event is greater than the Casualty Threshold Amount, then, (i) if no Event of

Default shall have occurred and be continuing and, within sixty (60) days of the date of the occurrence of such Casualty, Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration of the affected Properties in accordance with the terms of this Agreement, then (A) Borrower shall immediately deliver to Lender any Net Proceeds paid to Borrower as required by **Section 5.2** and (B) Borrower shall conduct the Restoration of the affected Properties in accordance with the terms of and subject to the conditions of **Section 5.4(d)** and (ii) if an Event of Default shall have occurred and be continuing or Borrower fails to deliver such an undertaking to Lender, then (A) Lender may retain any Net Proceeds received by it, (B) Borrower shall immediately deliver to Lender any Net Proceeds paid to Borrower as required by **Section 5.2**, (C) such Net Proceeds shall be applied to the prepayment of the Debt in an amount equal to the Release Amount for such Property in accordance with **Section 2.4.2(c)**, (D) Borrower shall prepay the Loan in an amount equal to the excess, if any, of the Release Amount for the affected Properties over such Net Proceeds, and (E) promptly following Borrower's written request and receipt by Lender of the Net Proceeds and payment by Borrower of the amounts set forth in **clause (D)** above, if any, Lender shall (x) release the affected Properties from the applicable Mortgage Documents and related Liens, *provided*, that (A) Borrower has delivered to Lender draft releases (and, in the event any of the Mortgages and the Assignments of Leases and Rents applicable to any of the affected Properties encumber other Property(ies) in addition to the affected Properties, such release shall be a partial release that relates only to the affected Property(ies) and does not affect the Liens and security interests encumbering or on the other Property(ies)) in form and substance appropriate for the jurisdiction in which such affected Properties are located and shall contain standard provisions protecting the rights of Lender and (B) Borrower shall pay all costs, taxes and expenses associated with such release (including, without limitation, cost to file and record the release and Lender's reasonable attorneys' fees) and (y) disburse to Borrower (A) in the case of a Substitution of a Substitute Property for such Property, the Net Proceeds paid by the insurance company and (B) in the case of the payment of the Release Amount for such Property, the Net Proceeds paid by the insurance company in excess of the Release Amount for such Property, if any; *provided* that, during the continuance of a Cash Sweep Period, the applicable Net Proceeds shall instead be delivered to the Cash Collateral Subaccount and disbursed in accordance with **Section 6.6.3**.

(c) If Borrower elects to undertake the Restoration a Property or Properties pursuant to **Section 5.4(a)**, (i) Borrower shall, subject to applicable Legal Requirements, commence the Restoration as soon as reasonably practicable (but in no event later than ninety (90) days after such Casualty occurs) and shall diligently pursue the same to satisfactory completion; (ii) Borrower shall cause the affected Property and the use thereof after the Restoration to be in compliance in all material respects with and permitted under all applicable Legal Requirements and such Property, after Restoration, shall be of the same character as prior to such damage or destruction, in all material respects; (iii) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance in all material respects with all applicable Legal Requirements and the Renovation Standards and (iv) for any Restoration of a Property with a total expected cost exceeding \$25,000, Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be reasonably acceptable to Lender.

(d) If Borrower elects to undertake the Restoration of a Property or Properties pursuant to **Section 5.4(b)**, the following provisions shall apply:

(i) the Net Proceeds shall be made available to Borrower for Restoration upon the determination of Lender that the following conditions are met: (A) Borrower shall, subject to applicable Legal Requirements, commence the Restoration as soon as reasonably practicable (but in no event later than ninety (90) days after such Casualty occurs) and shall diligently pursue the same to satisfactory completion; (B) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note, which will be incurred with respect to the Properties as a result of the occurrence of the Casualty, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in **Section 5.1.1(a)(ii)**, if applicable, or (3) by other funds of Borrower; (C) Lender shall be satisfied that the Restoration will be completed on or before the earliest to occur of (1) the date six (6) months prior to the Initial Maturity Date, as extended pursuant to **Section 2.8**, (2) the earliest date required for such completion under the terms of any Lease, (3) such time as may be required under applicable Legal Requirements or (4) six (6) months prior to the expiration of the insurance coverage referred to in **Section 5.1.1(a)(ii)**; (D) Borrower shall cause the affected Property and the use thereof after the Restoration to be in compliance with and permitted under all applicable Legal Requirements and such Property, after Restoration, shall be of the same character as prior to such damage or destruction; (E) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance in all material respects with all applicable Legal Requirements and the Renovation Standards; (F) for any Restoration of a Property with a total expected cost exceeding \$25,000, Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be reasonably acceptable to Lender and (G) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's discretion to cover the cost of the Restoration.

(ii) The Net Proceeds shall be held by Lender in the Casualty and Condemnation Subaccount and, until disbursed in accordance with the provisions of this **Section 5.4(d)**, shall constitute additional security for the Debt and other obligations under the Loan Documents. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence satisfactory to Lender that (A) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any similar liens or encumbrances on the Properties which have not been fully bonded to the satisfaction of Lender and discharged of record or in the alternative fully insured to the satisfaction of Lender by the title company issuing the Title Insurance Policy.

(iii) All plans and specifications required in connection with the Restoration shall be subject to the prior approval of Lender and an independent consulting engineer selected by Lender (the “**Casualty Consultant**”) and, in each case such approval shall not be unreasonably withheld, conditioned or delayed. Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to the approval of Lender and the Casualty Consultant, in each case such approval shall not be unreasonably withheld, conditioned or delayed. All costs and expenses incurred by Lender in connection with recovering, holding and advancing the Net Proceeds for the Restoration including, without limitation, reasonable attorneys’ fees and disbursements and the Casualty Consultant’s fees and disbursements, shall be paid by Borrower.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, less the Casualty Retainage. The term “**Casualty Retainage**” shall mean, as to each contractor, subcontractor or materialman engaged in the Restoration, an amount equal to ten percent (10%) of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until the Restoration has been completed. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this **Section 5.4(d)**, be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this **Section 5.4(b)** and that all approvals necessary for the re-occupancy and use of the Property have been obtained from all appropriate Governmental Authorities, and Lender receives evidence satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage; *provided, however*, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which (x) the Casualty Consultant certifies to Lender that such contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of such contractor’s, subcontractor’s or materialman’s contract, (y) the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy, and (z) Lender receives an endorsement to the Title Insurance Policy insuring the continued priority of the Lien of the Mortgage and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the opinion of Lender in consultation with the Casualty Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the “**Net Proceeds Deficiency**”) with Lender (for deposit into the Casualty and Condemnation Subaccount) before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be deposited by Lender into the Casualty and Condemnation Subaccount and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this **Section 5.4(d)** shall constitute additional security for the Obligations.

(vii) The excess, if any, of the Net Proceeds and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this **Section 5.4(d)**, and the receipt by Lender of evidence reasonably satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing.

(e) All reasonable out-of-pocket costs and expenses incurred by Lender in connection with any Restoration including, without limitation, reasonable attorneys’ fees and disbursements, shall be paid by Borrower.

(f) Notwithstanding anything to the contrary set forth in this Agreement, including the provisions of **Section 5.3** or **Section 5.4**, if the Loan is included in a REMIC Trust and, immediately following a release of any portion of the Lien of a Mortgage following a Casualty or Condemnation of a Property (but taking into account any proposed Restoration of the remaining portion of such Property), the ratio of the Outstanding Principal Balance to the value of the remaining Properties is greater than 125% (such value to be determined, in Lender’s sole discretion, by any commercially reasonable method permitted to a REMIC Trust; and which shall exclude the value of personal property (other than fixtures) or going concern value, if any), the Outstanding Principal Balance must be paid down (by application of the Net Proceeds or Award, as applicable, or if such amounts are not sufficient, by Borrower) by a “qualified amount” as that term is defined in the IRS Revenue Procedure 2010-30, as the same may be amended, replaced, supplemented or modified from time to time, unless Lender receives an opinion of counsel that if such amount is not paid, the applicable Securitization will not fail to maintain its status as a REMIC Trust as a result of the related release of such portion of the Lien of such Mortgage. If and to the extent the preceding sentence applies, only such amount of the net Award or net Insurance Proceeds (as applicable), if any, in excess of the amount required to pay down the principal balance of the Loan may be released for purposes of Restoration or released to Borrower as otherwise expressly provided in **Section 5.3** or **Section 5.4**.

(g) In the event of foreclosure of a Mortgage, or other transfer of title to a Property or Properties in extinguishment in whole or in part of the Debt all right, title and interest of Borrower in and to the Policies that are not blanket Policies then in force concerning such Property or Properties and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or Lender or other transferee in the event of such other transfer of title.

ARTICLE VI - RESERVE FUNDS

Section 6.1 Tax Funds; HOA Funds

6.1.1 Deposits of Tax Funds

. Borrower shall deposit with Lender on each Payment Date an amount equal to one-twelfth of the Property Taxes that Lender estimates will be payable during the next ensuing twelve (12) months, in order to accumulate sufficient funds to pay all such Property Taxes prior to their respective due dates, which amounts shall be transferred into a Subaccount established at the Cash Management Account Bank to hold such funds (the “**Tax Subaccount**”). Amounts deposited from time to time into the Tax Subaccount pursuant to this **Section 6.1.1** are referred to herein as the “**Tax Funds**”. If at any time Lender reasonably determines that the Tax Funds will not be sufficient to pay the Property Taxes, Lender shall notify Borrower of such determination and, commencing with the first Payment Date following Borrower’s receipt of such written notice, the monthly deposits for Property Taxes shall be increased by the amount that Lender estimates is sufficient to make up the deficiency at least ten (10) days prior to the respective due dates for the Property Taxes; *provided*, that if Borrower receives notice of any deficiency after the date that is ten (10) days prior to the date that Property Taxes are due, Borrower will deposit with or on behalf of Lender such amount within two (2) Business Days after its receipt of such notice.

6.1.2 Release of Tax Funds

. Provided no Event of Default is continuing, Lender shall apply Tax Funds in the Tax Subaccount to reimburse Borrower for payments of Property Taxes made by Borrower after delivery by Borrower to Lender of evidence of such payment reasonably acceptable to Lender. If the amount of the Tax Funds shall exceed the amounts due for Property Taxes, Lender shall, in its sole discretion, return any excess to Borrower or credit such excess against future payments to be made to the Tax Funds. Any Tax Funds remaining in the Tax Subaccount after the Obligations have been paid in full shall be returned to Borrower. Provided no Default or Event of Default exists, the Tax Funds reserved for any Property shall be released upon a permitted sale and release of such Property in accordance with the terms hereof or upon the Substitution of the Property in accordance with **Section 2.4.2(a)** or **Section 2.9**.

6.1.3 Special Reserve of Tax Funds

. Notwithstanding the foregoing, in lieu of making the deposits required by **Section 6.1.1**, Borrower may, by written notice to Lender, elect to maintain the Tax Subaccount at an amount equal to the amount of Property Taxes payable with respect to the Properties for a period of six (6) months. If such an election is in effect and Lender determines that the Tax Funds in the Tax Subaccount constitute less than the amount described in the previous sentence, Lender shall notify Borrower of such determination and, commencing with the first Payment Date following Borrower’s receipt of such written notice, Borrower shall deposit into the Tax Subaccount such shortfall. Furthermore, during any period while such an election is in effect, Borrower shall not be entitled to receive any release of Tax Funds from the Tax Subaccount. Borrower may revoke the election contemplated by this

Section 6.1.3 by written notice to Lender; *provided*, that (a) such revocation shall not take effect until the first Payment Date that is more than ten (10) Business Days after the Lender receives such written notice and (b) on such Payment Date, Borrower shall deposit into the Tax Subaccount an amount reasonably determined by Lender that, when combined with prospective deposits into the Tax Subaccount contemplated by the first sentence of **Section 6.1.1**, will be sufficient funds to pay all Property Taxes with respect to the Properties prior to their respective due dates.

6.1.4 Prepayment of Property Taxes

. Notwithstanding anything to the contrary contained in **Section 6.1.1**, so long as no Event of Default has occurred and is continuing, Borrower shall not be required to make deposits of Tax Funds to the Tax Subaccount for any Property if Borrower maintains a program whereby it prepays twelve (12) months of Property Taxes for such Property prior to the due dates therefor. If Borrower maintains such a program for a Property it may make an election to discontinue deposits of Tax Funds to the Tax Subaccount for the applicable Properties by providing a written notice thereof to Lender (a “**Property Tax Prepayment Election**”). In addition, Borrower shall deliver to Lender, within forty-five (45) days after the end of each calendar quarter, commencing with the calendar quarter ending March 31, 2018, proof of payment of prepaid Property Taxes for the Properties identified in the Property Tax Prepayment Election (whether in the form of cancelled checks, receipts, ACH confirmations, confirmation of electronic payments or other evidence of such payment reasonably satisfactory to Lender) unless such proof of payment has previously been delivered (i.e., during the prior calendar quarter).

6.1.5 Deposits of HOA Funds

. Borrower shall deposit with Lender on the Closing Date, an amount equal to the HOA Fees that Lender estimates will be payable with respect to all Applicable HOA Properties during the next ensuing twelve (12) months, which amounts shall be transferred into a Subaccount established at the Cash Management Account Bank to hold such funds (the “**HOA Subaccount**”). Amounts deposited from time to time into the HOA Subaccount pursuant to this **Section 6.1.5** are referred to herein as the “**HOA Funds**”. If at any time Lender reasonably determines that the HOA Funds will not be sufficient to pay the HOA Fees for the Applicable HOA Properties for the next ensuing twelve (12) months, Lender shall notify Borrower of such determination and, within thirty (30) days following Borrower’s receipt of such written notice, Borrower shall deposit with Lender for transfer into the HOA Subaccount an amount that Lender estimates is sufficient to make up the deficiency.

6.1.6 Release of HOA Funds

. If at any time Lender believes in good faith that HOA Fees due and payable to an HOA for any HOA Property have become delinquent, Lender shall in its sole and absolute discretion apply the HOA Funds to pay such HOA Fees. If the amount of the HOA Funds shall exceed the HOA Fees that Lender estimates will be payable with respect to all Applicable HOA Properties during the next ensuing twelve (12) months, Lender shall, in its sole discretion, return any excess to Borrower or credit such excess against future payments to be made to the HOA Funds. Any HOA Funds remaining in the HOA Subaccount after the Obligations have been paid in full shall be returned to Borrower. Provided no Default or Event of Default exists, the HOA Funds reserved for any Applicable HOA Property shall be released upon a permitted sale and release of such Property in accordance with the terms hereof or upon the Substitution of the Property in accordance with **Section 2.4.2(a)** or **Section 2.9**.

Section 6.2

Insurance Funds

6.2.1 Deposits of Insurance Funds

. Borrower shall deposit with or on behalf of Lender on each Payment Date, an amount equal to one-twelfth of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof, in order to accumulate sufficient funds to pay all such Insurance Premiums prior to the expiration of the Policies, which amounts shall be transferred into a Subaccount established at the Cash Management Account Bank to hold such funds (the “**Insurance Subaccount**”). Amounts deposited from time to time into the Insurance Subaccount pursuant to this **Section 6.2.1** are referred to herein as the “**Insurance Funds**”. If at any time Lender reasonably determines that the Insurance Funds will not be sufficient to pay the Insurance Premiums, Lender shall notify Borrower of such determination and the monthly deposits for Insurance Premiums shall be increased by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to expiration of the Policies.

6.2.2 Release of Insurance Funds

. Provided no Event of Default is continuing, Lender shall apply Insurance Funds in the Insurance Subaccount to timely pay, or reimburse Borrower for payments of, Insurance Premiums. If the amount of the Insurance Funds shall exceed the amounts due for Insurance Premiums, Lender shall, in its sole discretion, return any excess to Borrower or credit such excess against future payments to be made to the Insurance Funds. Any Insurance Funds remaining in the Insurance Subaccount after the Obligations have been paid in full shall be returned to Borrower. Provided no Default or Event of Default exists, the Insurance Funds reserved for any Property shall be released upon a permitted sale and release of such Property in accordance with the terms hereof or upon the Substitution of the Property in accordance with **Section 2.4.2(a)** or **Section 2.9**.

6.2.3 Acceptable Blanket Policy

. Notwithstanding anything to the contrary contained in **Section 6.2.1**, if an Acceptable Blanket Policy is in effect with respect to the Policies required pursuant to **Section 5.1.1**, deposits into the Insurance Subaccount required for Insurance Premiums pursuant to **Section 6.2.1** shall be suspended to the extent that Insurance Premiums relate to such Acceptable Blanket Policy. As of the Closing Date, an Acceptable Blanket Policy is in effect with respect to the Policies required as of the Closing Date pursuant to **Section 5.1.1**. enforcement of its rights and remedies under any of the Loan Documents with respect to all or any part of any Property. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any "one action" or "election of remedies" law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Properties and each Mortgage has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower and the Properties, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to any Property for the satisfaction of any of the Debt in any preference or priority to any other Property, and Lender may seek satisfaction out of all of the Properties, or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose the Lien of the Mortgages and the other Collateral Documents in any manner and for any amounts secured by the Mortgages and the other Collateral Documents then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose the Lien of one or more of the Mortgages and/or the other Collateral Documents to recover such delinquent payments or (ii) in the event Lender elects to accelerate less than the entire Outstanding Principal Balance of the Loan, Lender may foreclose the Lien of one or more of the Mortgages and/or the other Collateral Documents to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Mortgages and the other Collateral Documents as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to the Mortgages and the other Collateral Documents to secure payment of sums secured by the Collateral Documents and not previously recovered.

(c) During the continuance of an Event of Default, Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, Collateral Documents and other security documents (the "**Severed Loan Documents**") in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. The Loan Parties hereby absolutely and irrevocably appoint Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower ratifying all that its said attorney shall do by virtue thereof; **provided, however**, Lender shall not make or execute any such documents under such power until three (3) days after notice has been given to a Loan Party by Lender of Lender's intent to exercise its rights under such power. Borrower shall be obligated to pay any costs or

expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents and the Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date.

(d) As used in this **Section 7.2**, a “foreclosure” shall include, without limitation, any sale by power of sale.

Section 7.3 **Remedies Cumulative; Waivers**

. The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender’s rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender’s sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

Section 7.4 **Lender’s Right to Perform**

. If Borrower fails to perform any covenant or obligation contained herein and such failure shall continue for a period of five (5) Business Days after Borrower’s receipt of written notice thereof from Lender, without in any way limiting Lender’s right to exercise any of its rights, powers or remedies as provided hereunder, or under any of the other Loan Documents, Lender may, but shall have no obligation to, perform, or cause the performance of, such covenant or obligation, and all costs, expenses, liabilities, penalties and fines of Lender incurred or paid in connection therewith shall be payable by Borrower to Lender upon demand and if not paid shall be added to the Obligations (and to the extent permitted under applicable laws, secured by the Mortgages and the other Collateral Documents) and shall bear interest thereafter at the Default Rate. Notwithstanding the foregoing, Lender shall have no obligation to send notice to Borrower of any such failure.

Borrower acknowledges that certain information regarding the Loan and the parties thereto and the Properties may be included in a private placement memorandum, prospectus or other disclosure documents. Borrower agrees that Borrower, shall, at Lender’s request, cooperate with Lender’s efforts to arrange for a Securitization in accordance with the market standards to which Lender customarily adheres and/or which may be required by prospective investors and/or the Approved Rating Agencies in connection with any such Securitization. Within a reasonable period of time following Lender’s request in connection with a Securitization, Borrower agrees to review only those portions of the Disclosure Documents that relate to Borrower, Equity Owner, Borrower GP, Sponsor, the Properties and the Loan, which is contained in the sections of the Disclosure Documents entitled “Risk Factors,” “Special Considerations,” “Description of the Mortgage,” “Description of the Mortgage Loan and Mortgaged Properties,” “The Manager,” “The Borrower,” and “Certain Legal Aspects of the Mortgage Loan” (or sections similarly titled or covering similar subject matters) (collectively, the “**Covered Disclosure Information**”), and shall certify that the factual statements and representations contained in the Covered Disclosure Information do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading.

8.1.2 Securitization Costs

. All reasonable third party costs and expenses incurred by Borrower or any other Loan Party in connection with Borrower’s complying with requests made under this **Section 8.1** (including, without limitation, the fees and expenses of the Approved Rating Agencies, any mortgage recording taxes, title insurance premiums and UCC insurance premiums) shall be paid by Borrower with respect to the Securitization on the Closing Date and otherwise as required by the Lender, except as otherwise provided herein.

Section 8.2 Securitization Cooperation

(a) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act or the Exchange Act, or provided or made available to investors or prospective investors in the Securities, the

Approved Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holder of the Note in providing current information necessary to keep the Disclosure Document accurate and complete in all material respects to the extent such information is in Borrower's possession or control.

(b) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

Section 8.3 **Servicer**

. At the option of Lender, the Loan may be serviced by a master servicer, primary servicer, special servicer and/or trustee (any such master servicer, primary servicer, special servicer, and trustee, together with its agents, nominees or designees, are collectively referred to as "**Servicer**") selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to Servicer pursuant to a pooling and servicing agreement, servicing agreement, special servicing agreement or other agreement providing for the servicing of one or more mortgage loans (collectively, the "**Servicing Agreement**") between Lender and Servicer. Borrower shall not be responsible for any set-up fees or any other initial costs relating to or arising under the Servicing Agreement. Borrower shall not be responsible for payment of the monthly master servicing fee due to the Servicer under the Servicing Agreement. Notwithstanding the foregoing, Borrower shall pay all Trust Fund Expenses. For the avoidance of doubt, this **Section 8.3** shall not be deemed to limit Borrower's obligations under **Section 9.13(a)**.

ARTICLE IX - MISCELLANEOUS

Section 9.1 **Survival**

. This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Debt is outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. All covenants, promises and agreements in this Agreement, by or on behalf of Borrower, shall inure to the benefit of the legal representatives, successors and assigns of Lender.

Prior to a Securitization, whenever pursuant to this Agreement the Approved Rating Agencies are given any right to approve or disapprove any matter, or any arrangement or term is to be satisfactory to the Approved Rating Agencies, the decision of Lender to approve or disapprove such matter or

to decide whether arrangements or terms are satisfactory or not satisfactory, based upon Lender's determination of Rating Agency criteria, shall be substituted therefor.

(b) Whenever, pursuant to this Agreement or any other Loan Documents, a Rating Agency Confirmation is required from each Approved Rating Agency, in the event that any Approved Rating Agency "declines review", "waives review" or otherwise indicates to Lender's or Servicer's satisfaction that no Rating Agency Confirmation will or needs to be issued with respect to the matter in question (each, a "**Review Waiver**"), then the requirement to obtain a Rating Agency Confirmation from such Approved Rating Agency shall not apply with respect to such matter; *provided, however*, if a Review Waiver occurs with respect to an Approved Rating Agency and Lender does not have a separate and independent approval right with respect to the matter in question, then such matter shall require the written reasonable approval of Lender. It is expressly agreed and understood, however, that receipt of a Review Waiver (i) from any one Approved Rating Agency shall not be binding or apply with respect to any other Approved Rating Agency and (ii) with respect to one matter shall not apply or be deemed to apply to any subsequent matter for which Rating Agency Confirmation is required.

In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under this Agreement, the Note or any other Loan Document, Lender shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under this Agreement, the Note or the other Loan Documents, or to declare a default for failure to effect prompt payment of any such other amount.

RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THE LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. LENDER IS HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER BY BORROWER.

Section 9.8 **Headings**

. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 9.9 **Severability**

. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 9.10 **Preferences**

. Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder. To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 9.11 **Waiver of Notice**

. Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower.

Section 9.12 **Remedies of Borrower**

. In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment; ***provided, however,*** that the foregoing shall not prevent Borrower from obtaining a monetary judgment against Lender if it is determined by a court of competent jurisdiction that Lender

acted with gross negligence, bad faith or willful misconduct. The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

Section 9.13

Expenses; Indemnity

(a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender upon receipt of written notice from Lender for all out-of-pocket costs and expenses (including reasonable attorneys' fees and expenses) incurred by Lender in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including without limitation any opinions requested by Borrower as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Property); (ii) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental and insurance requirements; (iii) Lender's ongoing performance and compliance with all agreements and conditions contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date; (iv) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Borrower; (v) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement; (vi) the filing and recording fees and expenses, title insurance and fees and expenses of counsel for providing to Lender all required legal opinions, and other similar expenses incurred in creating and perfecting the Liens in favor of Lender pursuant to this Agreement and the other Loan Documents; (vii) enforcing or preserving any rights, in response to third party claims or the prosecuting or defending of any action or proceeding or other litigation, in each case against, under or affecting Borrower, this Agreement, the other Loan Documents, the Properties, or any other security given for the Loan; and (viii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Properties (including Trust Fund Expenses associated therewith), or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings or any other amounts required under **Section 8.3**; *provided, however*, that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of Lender. Any cost and expenses due and payable to Lender may be paid from any amounts in the Rent Deposit Account or Cash Management Account, as applicable.

(b) Borrower shall indemnify, defend and hold harmless Lender and each of its respective officers, directors, partners, employees, representatives, agents and Affiliates (the "**Indemnified Persons**") from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel in connection with any investigative, administrative or judicial proceeding

commenced or threatened, whether or not an Indemnified Person shall be designated a party thereto), that may be imposed on, incurred by, or asserted against any Indemnified Person in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, or (ii) the use or intended use of the proceeds of the Loan (collectively, the “**Indemnified Liabilities**”); *provided, however*, that Borrower shall not have any obligation to any Indemnified Person hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of such Indemnified Person. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnified Persons.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any Rating Agency review of the Loan, the Loan Documents or any transaction contemplated thereby or any consent, approval, waiver or confirmation obtained from such Rating Agency pursuant to the terms and conditions of this Agreement or any other Loan Document and Lender shall be entitled to require payment of such fees and expenses as a condition precedent to the obtaining of any such consent, approval, waiver or confirmation.

(d) Borrower shall indemnify the Indemnified Persons against any liabilities to which any Indemnified Person may become subject in connection with any indemnification to the Approved Rating Agencies in connection with issuing, monitoring or maintaining the Securities insofar as the liabilities arise out of or are based upon any untrue statement of any material fact in any information provided by or on behalf of the Borrowers to the Approved Rating Agencies (the “**Covered Rating Agency Information**”) or arise out of or are based upon the omission to state a material fact in the Covered Rating Agency Information required to be stated therein or necessary in order to make the statements in the Covered Rating Agency Information, in light of the circumstances under which they were made, not misleading.

Section 9.14 **Schedules Incorporated**

. The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 9.15 **Offsets, Counterclaims and Defenses**

. Any assignee of Lender’s interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 9.16 **No Joint Venture or Partnership; No Third Party; Beneficiaries**

(a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Properties other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

Section 9.17 **Publicity**

. All news releases, publicity or advertising by Borrower or its Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender, Deutsche Bank Securities Inc. or any of their Affiliates (with respect to the Loan and the Securitization of the Loan only) shall be subject to the prior written approval of Lender and Deutsche Bank Securities Inc. in their sole discretion. Lender shall have the right to publicly describe the Loan in general terms advertising and public communications of all kinds, including press releases, direct mail, newspapers, magazines, journals, e-mail, or internet advertising or communications. Details such as the addresses of the Properties, the amount of the Loan, the date of the closing and descriptions of the size/locations of the Properties shall only be included subject to Borrower's approval in advance. Notwithstanding the foregoing, Borrower's approval shall not be required for the publication by Lender of notice of the Loan and the Securitization of the Loan by means of a customary tombstone advertisement, which, for the avoidance of doubt, may include the amount of the Loan, the amount of securities sold, the number of Properties as of the Closing Date, the settlement date and the parties involved in the transactions contemplated hereby and the Securitization.

Section 9.18 **Cross Default; Cross Collateralization; Waiver of Marshalling of Assets**

(a) Borrower acknowledges that Lender has made the Loan to Borrower upon the security of its collective interest in the Properties and in reliance upon the aggregate of the Properties taken together being of greater value as collateral security than the sum of each Property taken separately. Borrower agrees that the Mortgages are and will be cross-collateralized and cross-defaulted with each other so that (i) an Event of Default under any of the Mortgages shall constitute an Event of Default under each of the other Mortgages which secure the Note; (ii) an Event of Default under the Note or this Agreement shall constitute an Event of Default under each Mortgage; (iii) each Mortgage shall constitute security for the Note as if a

single blanket lien were placed on all of the Properties as security for the Note; and (iv) such cross-collateralization shall in no event be deemed to constitute a fraudulent conveyance.

(b) To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Properties, or to a sale in inverse order of alienation in the event of foreclosure of all or any of the Mortgages, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Properties for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Properties in preference to every other claimant whatsoever. In addition, Borrower, for itself and its successors and assigns, waives in the event of foreclosure of any or all of the Mortgages, any equitable right otherwise available to Borrower which would require the separate sale of the Properties or require Lender to exhaust its remedies against any Property or any combination of the Properties before proceeding against any other Property or combination of Properties; and further in the event of such foreclosure Borrower does hereby expressly consent to and authorizes, at the option of Lender, the foreclosure and sale either separately or together of any combination of the Properties.

Section 9.19

Conflict; Construction of Documents; Reliance

. In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 9.20

Brokers and Financial Advisors

. Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement other than J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated and Citigroup Global Markets Inc. Borrower hereby agrees to indemnify, defend and hold Lender harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that

such Person acted on behalf of Borrower or Lender in connection with the transactions contemplated herein. The provisions of this **Section 9.20** shall survive the expiration and termination of this Agreement and the payment of the Debt.

Section 9.21 **Prior Agreements**

. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, between Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

Section 9.22 **Document Delivery**

. Borrower will deliver to Lender all documents required to be delivered under this Agreement in an electronic format reasonably agreed by Lender and Borrower.

Section 9.23 **Counterparts**

. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. Copies of originals, including copies delivered by facsimile, pdf or other electronic means shall have the same import and effect as original counterparts and shall be valid, enforceable and binding for purposes of this Agreement.

Section 9.24 **State Specific Provisions**

9.24.1 **Arizona**

. The following Arizona provisions are not intended to, and do not, limit the express choice of New York law set forth in **Section 9.3** of this Agreement and as set forth in the other Loan Documents, and are set forth herein, if and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, Arizona law is held to govern any Mortgage encumbering a Property located in Arizona or any other Loan Document:

(b) Anything to the contrary herein or elsewhere notwithstanding, the Sponsor Guaranty, Equity Owner Guaranty, Borrower GP Guaranty and the Borrower TRS Guaranty and all obligations arising under any of them are not and shall not be secured in any manner whatsoever, including by any Mortgage or by any lien encumbering any Property; ***provided, however***, that any environmental indemnity provisions set forth in this Agreement or any Environmental Indemnity shall be so secured, except as to the obligations of Sponsor, Equity Owner, Borrower GP and Borrower TRS and subject to the rights of Lender to proceed on an unsecured basis thereunder pursuant to applicable law.

9.24.2 **California**

. The following California provisions do not limit the express choice of New York law set forth in **Section 9.3** of this Agreement and as set forth in the other Loan

Documents, and are forth herein, if and to the extent that, notwithstanding the choice of law provisions contained in this Agreement and the other Loan Documents, California law is held to govern this Agreement, any Mortgage Document encumbering a Property located in California or any other Loan Document:

Borrower hereby waives, to the fullest extent permitted by applicable law, the benefits of California Code of Civil Procedure Section 431.70.

(b) Insurance Notice. Lender hereby notifies Borrower of the provisions of Section 2955.5(a) of the California Civil Code, which reads as follows:

This disclosure is being made by Lender to Borrower pursuant to Section 2955.5(b) of the California Civil Code. Borrower hereby acknowledges receipt of this disclosure and acknowledges that this disclosure has been made by Agent before execution of the Note.

(c) Access to Properties. Lender’s rights under **Section 4.1.5** of this Agreement shall be deemed to include, without limitation, its rights under California Civil Code Section 2929.5, as such provisions may be amended from time to time.

(d) Anything to the contrary herein or elsewhere notwithstanding, in no event shall Borrower have any liability or other obligation under or with respect to the Sponsor Guaranty, the Equity Owner Guaranty, the Borrower GP Guaranty or the Borrower TRS Guaranty, and such guaranties shall not be deemed to be secured by any Mortgage encumbering any Property in California.

9.24.3 Colorado

. The following Colorado provisions are not intended to, and do not, limit the express choice of New York law set forth in **Section 9.3** of this Agreement or as set forth in the other Loan Documents, except that Colorado law shall govern any Mortgage encumbering a Property located in Colorado and the process for default and foreclosure thereof.

(a) No agreements, conditions, provisions or stipulations contained in this Agreement or in any of the other Loan Documents, or any Event of Default, or any exercise by Lender of the right to accelerate the payment of the maturity of principal and interest, any fees, or other amount due hereunder, or to exercise any option whatsoever, contained in this Agreement or any of the other Loan Documents, or the arising of any contingency whatsoever, shall entitle Lender to collect, in any event, interest exceeding the maximum authorized by C.R.S. § 5-12-101 *et seq.*, and in no event shall Borrower be obligated to pay interest exceeding such rate, including on any judgment amount, and all agreements, conditions or stipulations, if any, which may in any event
